

OMB Control Number: 0925-0648.

Expiration Date: May 31, 2021

Public reporting burden for this collection of information is estimated to average 4 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648). Do not return the completed form to this address.

Respondent Characteristics

For whom are you seeking information today?

- ☐ Myself
 - ☐ A family member or friend
 - ☐ No one in particular; I'm just curious
-

What is your highest level of education completed?

- ☐ Less than high school
 - ☐ High school/GED
 - ☐ Some college
 - ☐ 2 year degree
 - ☐ 4 year degree
 - ☐ Master's degree (MPA, MBA, MPH, etc.)
 - ☐ Doctorate
 - ☐ Professional certificate or other degree
-

What information were you looking for on MedlinePlus today? (Choose all that apply.)

- ☐ A drug or supplement
 - ☐ A medical test or procedure
 - ☐ A particular disease or health condition
 - ☐ General health and wellness
 - ☐ A heart-healthy recipe
 - ☐ Other (please specify)
-

Medline Plus Attributes

The publisher of MedlinePlus, the National Library of Medicine (NLM), is the world's largest biomedical library and part of the U.S. National Institutes of Health (NIH).

How aware were you that MedlinePlus is a product of NLM?

- ☐ Very unaware
 - ☐ Somewhat unaware
 - ☐ Neither aware nor unaware
 - ☐ Somewhat aware
 - ☐ Very aware
-

How important is it to you that MedlinePlus is from NLM?

- ☐ Not at all important
- ☐ Slightly important
- ☐ Moderately important

- ☐ Very important
 - ☐ Extremely important
-

Using the scale below, how aware were you that MedlinePlus is a product of NIH?

- ☐ Very unaware
 - ☐ Somewhat unaware
 - ☐ Neither aware nor unaware
 - ☐ Somewhat aware
 - ☐ Very aware
-

How important is it to you that MedlinePlus is from NIH?

- ☐ Not at all important
 - ☐ Slightly important
 - ☐ Moderately important
 - ☐ Very important
 - ☐ Extremely important
-

Why did you choose MedlinePlus today?

- ☐ It's my preferred source for health information.
 - ☐ It was a top result in the search engine I used.
 - ☐ It was recommended to me by someone I know.
 - ☐ When I saw the page in my search results, it looked like it would answer my question.
-

How understandable was the information on this website?

- ☐ Not at all understandable

- ☐ Not very understandable
- ☐ Somewhat understandable
- ☐ Understandable
- ☐ Very understandable

What do you value the most about MedlinePlus? (Please choose up to three.)

- ☐ Easy to read and understand
- ☐ Information available in Spanish
- ☐ Anonymous; no personal information is required
- ☐ Information selected by librarians
- ☐ Immediate answers to my questions
- ☐ Wide range of topics
- ☐ Free of charge to use
