

OMB#: 0925-0648 Expiration Date: 05/2021

The Mary Frances Picciano Dietary Supplement Research Practicum

Presented by the National Institutes of Health (NIH), Office of Dietary Supplements
Bethesda, Maryland
May 29 –31, 2019
Session and Overall Evaluation

Your feedback will help improve NIH Office of Dietary Supplements (ODS) Annual Practicum. Please take a few minutes to provide feedback on each session that you attended on Day 3 and on the entire Practicum experience.

Public reporting burden for this collection of information is estimated to average 11 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch; 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648). Do not return the completed form to this address.

Meeting the Stakeholders

Objectives: Hear from those studying, advocating, regulating, or educating on dietary supplements through descriptions of their organizations' purpose, perspectives on products, and activities related to supplements.

Panel 1: A Conversation with the Industry

	Strongly Disagree	Disagree	Agree	Strongly Agree	Did not Attend
The presentation by Laura Harkness from Church & Dwight Co., Inc. provided a good overview of the organization and its perspectives on dietary supplements.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The presentation by Merle Zimmermann from the American Herbal Products Association provided a good overview of the organization and its perspectives on dietary supplements.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The presentation by Jay Sirois from the Consumer Healthcare Products Association provided a good overview of the organization and its perspectives on dietary supplements.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
