US-Kazakhstan Regional Scientific Workshop on Alternative Approaches to Combatting Anti-Microbial Resistance Almaty, Kazakhstan, April 18 - 19, 2019

OMB Control #: 0925-0648 Expiration Date: 05/2021

Burden Disclosure: Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 5601 Fishers Lane, MSC 9806, Rockville, MD 20892-9806, ATTN: PRA# 0925-0648. Do not return the completed form to this address.

US-Kazakhstan Regional Scientific Workshop on Alternative Approaches to Combatting Anti-Microbial Resistance Almaty, Kazakhstan, April 18 - 19, 2019

Conference Content

2. The content of the workshop lectures were appropriate and informative.

- Agree
- Somewhat Agree
- Neutral
- Somewhat Disagree
- Disagree

3. The content of the workshop posters was appropriate and informative.

- Agree
- Somewhat Agree
- Neutral
- Somewhat Disagree
- Disagree

4. The workshop was successful in identifying areas for potential research cooperation on Anti-Microbial Resistance (AMR).

- Agree
- Somewhat Agree
- Neutral
- Somewhat Disagree
- Disagree

5. The workshop was successful in identifying knowledge gaps and research opportunities in combatting AMR.

- Agree
- Somewhat Agree
- Neutral
- Somewhat Disagree
- Disagree

6. The time allocated for workshop components was appropriate.

- Agree
- Somewhat Agree
- Neutral
- Somewhat Disagree
- Disagree

Conference Content

7. How satisfied are you with the simultaneous translation at this workshop?

- Satisfied
- Somewhat Satisfied
- Neutral
- Somewhat Dissatisfied
- Dissatisfied

8. How satisfied are you with what you learned at this workshop?

- Satisfied
- Somewhat Satisfied
- Neutral
- Somewhat Dissatisfied
- Dissatisfied

9. The workshop helped me to network and establish connections with other scientists in the field.

- Agree
- Somewhat Agree
- Neutral
- Somewhat Disagree
- Disagree

10. What were the most important knowledge gaps and research opportunities identified at this workshop, in developing alternative approaches to combatting AMR?

11. What were the most important conclusions and recommendations (if any) that emerged from this workshop?

12. What specific opportunities for international research collaboration did you identify at this workshop?
