ClinVar User Survey

ClinVar aggregates information about genomic variation and its relationship to human health.

OMB Control Number: 0925-0648

Expiration Date: 05/31/2021

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a current valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to NIH, Project clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648). Do not return the completed form to this address.

1. How often do you use ClinVar?

- Every day
- Several times a week
- Several times a month
- About once a month
- Less than once a month
- This is my first visit

2. What were you looking for on your current visit to ClinVar?

- A specific variant
- All variants in a gene
- Variants associated with a disease or phenotype
- Variants submitted by a specific group
- Other (please specify)

3. How easy was it to find what you were looking for on ClinVar?

- Extremely easy
- Very easy
- Somewhat easy
- Not so easy
- Not at all easy

4. How easy is it to understand the information on ClinVar?

- Extremely easy
- Very easy
- Somewhat easy
- Not so easy
- Not at all easy

5. Overall, how satisfied are you with ClinVar?

- Extremely satisfied
- Very satisfied
- Moderately satisfied
- Slightly satisfied
- Not at all satisfied

6. Which category describes you best?

- Lab director
- Genetic counselor
- Medical geneticist or medical genetics fellow
- Pathologist
- Other type of physician or medical fellow
- Researcher
- Student
- Clinical scientist
- Bioinformatician
- Professor or educator
- Patient or patient family member/advocate
- Other (please specify)

7. What would make you more likely to use ClinVar?

8. Any other comments?

9. How likely is it that you would recommend ClinVar to a friend or colleague?

Not at all likely

Extremely likely
