

2019 BioProject and BioSample Survey

We want to improve NCBI's products and services. We would like to learn more about how this site helps you with your work, and what we can do better. Please click "next" below to get started.

OMB Control Number: 0925-0648

Expiration Date: 05/31/2021

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a current valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to NIH Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648). Do not return the completed form to this address.

1. Which professional category best describes you? Please select only one.

- | | |
|--|---|
| <input type="radio"/> Bioinformatics professional | <input type="radio"/> Life Science Researcher |
| <input type="radio"/> Educator | <input type="radio"/> Student |
| <input type="radio"/> Healthcare professional | <input type="radio"/> Technician |
| <input type="radio"/> Librarian / Information Specialist | <input type="radio"/> Computer Scientist / Software Developer |
| <input type="radio"/> Other (please specify) | |

2. Please pick one category that best describes your organization.

- | | |
|---|---|
| <input type="radio"/> College or University | <input type="radio"/> Research Institute |
| <input type="radio"/> Commercial / Industry | <input type="radio"/> Government |
| <input type="radio"/> Non-profit Organization | <input type="radio"/> Hospital/health care organization |
| <input type="radio"/> Other (please specify) | |

3. Are you using this resource today to submit data or are you searching for information / biological data ?

- Submitting data
- Searching for information or biological data

Prev

Next

4. What brought you to BioProject or BioSample today? Please select all that apply.

- I wanted to follow up on an ID I saw in a publication
- I'm interested in datasets associated with a project/sample
- I'm interested in project/sample details
- Check on my submission
- Just browsing
- Other (please specify)

5. How frequently do you use Bioproject or BioSample?

- Nearly every day
- About once a week
- About once a month
- About once a year
- Less often than once a year
- This is my first visit

6. Did you find what you were looking for?

- Yes
- No

7. How easy was it to find what you were looking for?

- Very easy
- Easy
- Somewhat easy
- Neither easy nor difficult
- Somewhat difficult
- Difficult
- Very difficult

8. What were you trying to accomplish?

- Get project or sample details
- Retrieve associated data (e.g. sequencing reads, assemblies, GEO data, genome maps)
- Compare information or content between different BioProjects or BioSamples
- Link to related resources (BioSample/BioProject, GEO)
- Find publications related to a BioSample or BioProject
- Other (please specify)

9. How easy/difficult do you find it to accomplish the following tasks in BioProject or BioSample? Please rank the difficulty of each task on a scale of 1 to 5 with 5 being the most difficult.

⋮	<input type="text"/>	Find project or sample details	<input type="checkbox"/> N/A
⋮	<input type="text"/>	Retrieve associated data (e.g. sequencing reads, assemblies, GEO data, genome maps)	<input type="checkbox"/> N/A
⋮	<input type="text"/>	Compare information or content between different BioProjects or BioSamples	<input type="checkbox"/> N/A
⋮	<input type="text"/>	Link to related resources (BioSample/BioProject, GEO)	<input type="checkbox"/> N/A
⋮	<input type="text"/>	Find publications related to a BioProject or BioSample	<input type="checkbox"/> N/A

10. What do you want to do with the information you get from BioProject or BioSample?

- Compare or align sequences (e.g. BLAST)
- Re-analyze a dataset/replicate an analysis
- Compare data across BioProjects or BioSamples
- Retrieve informative labels for a set of SRA accessions
- Visualize in a graphical display
- Other (please specify)

11. Please provide suggestions on how to make BioProject and BioSample more useful to you.

12. How likely is it that you would recommend BioProject to a friend or colleague?

Not at all likely

Extremely likely

0	1	2	3	4	5	6	7	8	9	10
---	---	---	---	---	---	---	---	---	---	----
