

Post Training Evaluation

Section 1: All Respondents

Burden Disclosure

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648). Do not return the completed form to this address.

Introduction:

This survey asks a series of questions about your perception of the ORS Scientific Resources Presentation. Your feedback is valuable and will be used to evaluate the Presentation.

Instructions:

Please see the attached survey card for your reference and use. A hard copy of the survey questions is included to assist in the evaluation process. In addition, please note the following below:

- Survey responses reside behind the NIH firewall and are secure to the extent permitted by law.
- For each question, select the option that best represents your view.
- The survey will take approximately 5 minutes to complete.
- Try to answer each question as honestly and accurately as possible.
- At any point, you may exit the survey and return to complete the survey at a later time. Your answers will be saved.

Questions about this survey may be sent to Janice Rouiller at janice.rouiller@nih.gov.

ORS Resources for the NIH Research Community

ORS SR Maximizing Value 3MonthPostSurv

Post Training Evaluation

Please mark the appropriate box regarding the following ORS services. Mark all that apply. **Questions about survey? See Page 4.**

Service	N/A	I have sought more information since presentation	I have contacted the service directly for more information	I am using the service now	I anticipate using the service in the future
NIH Library					
Bibliometrics and portfolio analysis (e.g., publication analysis, citation impact, identifying research topics)					
Bioinformatics support (e.g., consultation, training, resources)					
Data services (e.g., training and tools to support data management, visualization, analysis)					
Division of Occupational Health and Safety (DOHS)					
Mandatory DOHS clearance prior to purchase of biological safety cabinets					
Mandatory periodic DOHS certifications of biological safety cabinets					
Mandatory DOHS gaseous decontamination of biological safety cabinets prior to relocation or surplus and after internal repairs are made or filters replaced					
Mandatory DOHS lab safety training					
DOHS maintenance and repair of biological safety cabinets					
Integrated pest management services (e.g., prevention, identification, solutions, monitoring, technical oversight) to ensure compliance with a variety of accreditation programs and regulations necessary to NIH					
Ergonomic evaluations

Post Training Evaluation

Service	N/A	I have sought more information since presentation	I have contacted the service directly for more information	I am using the service now	I anticipate using the service in the future
Division of Radiation Safety (DRS)					
Mandatory DRS radiation safety training					
Mandatory DRS shipping services for radioactive materials					
Lab contamination monitoring surveys					
DRS guidance on radiation safety policies and procedures (e.g., area health physicists, radioactive safety protocols, exposure monitoring)					
Division of Scientific Equipment and Instrumentation Services (DSEIS)					
Lab equipment sales					
Lab equipment rentals					
Lab equipment maintenance and repair					
Division of Veterinary Resources (DVR)					
Facilities management (e.g., animal holding, procurement, transportation, cagewash)					
Veterinary medicine (e.g., daily clinical oversight of animals including pharmacy, surgery, radiology, veterinary care, nutrition)					
Animal behavioral assessment and environmental enrichment					
Diagnostic and research services (e.g., bacteriology, health surveillance, molecular microbiology, mouse phenotyping, pathology, electron microscopy)					
Medical Arts Branch (MAB)					
Medical illustration (e.g., manuscript figures, infographics, animations, journal covers)					
Graphic design (e.g., posters publications, logos)					
Production (e.g., poster printing, photo prints)
