Polling

Want to comment? Your input is important. OLAW welcomes questions and comments from viewers of this recording. OLAW will post the comments, questions, and answers on the OLAW website. Please go to the <u>OLAW Webinars and Podcasts</u> page and click on the seminar title for further information.

Note: Each poll question is only open 30 seconds, is anonymous, voluntary, and only available for live webinar participants. Webinar participants may also expound or offer any additional comments questions or opinions through a chat box built into the GoToMeeting Software, and so are not limited only to the choices presented.

questions or opinions through a chat box built into the GoToMeetin Software, and so are not limited only to the choices presented.
