

Post-Occupancy Survey

Welcome!

Thank you for taking the time to complete this post-occupancy survey. The intent of this survey is to capture responses from tenants involved in Phase 1 of the Rockledge I/II renovation.

As part of our renovation efforts, we want to take this opportunity to gather feedback about the move, the engagements between each IC/OD office and the move team, and your initial experience in the new workspace.

Responses will help us understand our communication strategy and the most effective methods to communicate with you and your coworkers during a project like this. Your responses are important to us and to the continued success of this new workspace and future engagements with NIH.

Instructions:

- Your responses are completely anonymous and secure.
- For each question select the option that best represents your view.
- The survey will take less than 5 minutes to complete.
- Try to answer each question as honestly and accurately as possible.

Questions about this survey can be sent to Kim Jennings at kim.jennings@crtkl.com.
