

BECOMING A RESILIENT SCIENTIST SUMMER SERIES - FEEDBACK

OMB Number: 0925-0648

Expiration Date: 31 May 2021

Burden Time: 20 minutes

SATISFACTION WITH WEBINAR

Which session(s) did you participate either live or viewing the posted recording?:*

- I - An Introduction to Resilience and Wellness
- II - Exploring our Self-Talk: Cognitive Distortions and Imposter Fears
- III - Self-Advocacy and Assertiveness for Scientists
- IV - Developing Feedback Resilience
- V - Managing Up to Maximize Mentoring Relationships

Overall, how would you rate this series?:

- excellent very good good fair poor

How likely are you to recommend this series to a friend or a colleague?:

- very likely somewhat likely neither likely or unlikely somewhat unlikely very unlikely

This series was valuable to me.:

- strongly agree agree neutral disagree strongly disagree

The tools from the series were practical and easy to apply.:

- strongly agree agree neutral disagree strongly disagree

How well did you understand topics covered in Becoming a Resilient Scientist Summer Series BEFORE participating in the summer?:

- extremely well very well moderately well slightly well not well at all

How well did you understand topics covered in Becoming a Resilient Scientist Summer Series AFTER participating in the summer?:

- extremely well very well moderately well slightly well not well at all

The following questions pertain to your reactions after the webinar.

Since participating in the resilience series, I am trying to implement the tools/changes I learned.:

strongly agree agree neutral disagree strongly disagree

Since participating in the resilience series, I have applied what I learned in the webinars in my work and/or life.:

strongly agree agree neutral disagree strongly disagree

Since participating in the resilience series, I pay more attention to the topics discussed in my work and/or life.:

strongly agree agree neutral disagree strongly disagree

Since participating in the resilience series, I have not done anything different.:

strongly agree agree neutral disagree strongly disagree

Since participating in the resilience series, I have seen improvements in the way I think about my work and/or life.:

strongly agree agree neutral disagree strongly disagree

Since participating in the resilience series, I have become more resilient in my work and/or life.:

strongly agree agree neutral disagree strongly disagree

Since participating in the resilience series, I have become a better scientist.:

strongly agree agree neutral disagree strongly disagree

Since participating in the resilience series, I have learned to manage conflict better.:

strongly agree agree neutral disagree strongly disagree

Since participating in the resilience series, I have learned to manage my stress better.:

strongly agree agree neutral disagree strongly disagree

Since participating in the resilience series, I have gained important skills that will help my work/life.:

strongly agree agree neutral disagree strongly disagree

How can we make this series better?:

What was your single biggest takeaway from the series?:

SATISFACTION ABOUT FACILITATION SESSION

Did you attend any of the small group facilitation sessions which were part of the series?:

yes no

How helpful was the small group sessions.:

extremely helpful very helpful moderately helpful slightly helpful not at all helpful

The small group session helped solidify what I learned in the webinar.:

strongly agree agree neutral disagree strongly disagree

I felt comfortable discussing various issues in the small group session.:

strongly agree agree neutral disagree strongly disagree

The number of participants in the small group session was:

too large a bit large just right a bit small too small

If you have specific feedback about small group discussions, please let us know.:

Public reporting burden for this collection of information is estimated to average 20–minutes per submission. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892–7974, ATTN: PRA 0925–0648. Do not return the completed form to this address.

Collection of this information is authorized by The Public Health Service Act, Section 410 (42 USC 285). Rights of participants are protected by The Privacy Act of 1974. Participation is voluntary, and there are no penalties for not participating or withdrawing from the study at any time. The information collected in this study will be kept private to the extent provided by law. Names and other identifiers will not appear in any report of the study. Information provided will be combined for all participants and reported as summaries.
