

NIEHS DERT Climate Survey

Thank you for taking the NIEHS Division of Extramural Research and Training (DERT) Climate Survey. The purpose for the survey is to allow the NIH Civil Branch to gather information related to the work environment. The Civil Branch will use the information to identify areas of concern for staff members and guide further inquiry, if necessary.

The survey should take about 5-10 minutes to complete and your responses will be kept anonymous. Responses will be aggregated, and summary data will be shared with the NIH Civil Branch. If you encounter technical difficulties with the survey, please submit an HR help desk ticket at https://nihohrweb.nih.gov.1010/WITS_IntraHR/WITSHome.aspx
