The Gift of Feedback & Staying in Touch

We consider feedback a gift, so thank you for sharing. From time to time, we like to share that feedback in blog posts, press releases, and impact studies to help future event planners and participants prepare for these types of events. We also want to know where you go from here. We know it could be months or years before we hear from you, but we want to know if you go the grant or published results! Please visit knowinnovation.com and fill out our contact form to keep in touch.
