

Burden Disclosure Statement: Public reporting burden for this collection of information is estimated to average 1 minute per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648) Do not return the completed form to this address.

As part of our continuous evaluation efforts, CSR would like to collect constructive feedback from study section reviewers.

The identity of respondents is not disclosed and only aggregated responses will be used in our analysis. Please begin by responding to the questions below.

Quality of Prioritization

The panel was able to prioritize applications according to their impact/scientific merit.

1 Strongly agree 2 3 4 Neutral 5 6 7 Strongly disagree

Collective Expertise

The roster of reviewers was an appropriate assembly of scientific expertise for the set of applications in the meeting.

1 Strongly agree 2 3 4 Neutral 5 6 7 Strongly disagree

Assignment of Applications to Reviewers

Assignment of applications to reviewers made appropriate use of their broad expertise.

1 Strongly agree 2 3 4 Neutral 5 6 7 Strongly disagree

Quality of Discussion

The nature of the scientific discussions supported the ability of the panel to evaluate the applications being reviewed.

1 Strongly agree 2 3 4 Neutral 5 6 7 Strongly disagree

General Comments - In addition to the answers you provided in this questionnaire, please add any other comments in the text box below.

Thank you for your survey participation. If you have additional comments or suggestions, please email them to CSRDirector@csr.nih.gov.
