

## ACADEMIC INTERNSHIP PROGRAM (AIP) - FEEDBACK

OMB Number: 0925-0648 Expiration Date: 31 May 2021

The NIH Academic Internship Program (AIP) is designed to bring high school, community college, and college students to the NIH Intramural Research Program throughout the academic year for research. You have been identified as an NIH trainee that falls within these parameters, therefore, the Office of Intramural Training & Education (OITE) wishes to collect your feedback on your current experience and needs in order to support your research, academic, and career development.

NIH OITE Website: http://www.training.nih.gov Email: oite@mail.nih.gov

What month did you start training at NIH?:*
NIH INVESTIGATOR INFORMATION
NIH Investigator First Name (Given Name):*
NIH Investigator Last Name (Family Name):*
NIH Investigator Email Address:*
(check accuracy)

## COMMENTS

How did you learn about internship opportunities during the academic year at the NIH?:

How did you learn about the OITE?:

Public reporting burden for this collection of information is estimated to average 20-minutes per submission. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA 0925-0648. Do not return the completed form to this address.

Collection of this information is authorized by The Public Health Service Act, Section 410 (42 USC 285). Rights of participants are protected by The Privacy Act of 1974. Participation is voluntary, and there are no penalties for not participating or withdrawing from the study at any time. The information collected in this study will be kept private to the extent provided by law. Names and other identifiers will not appear in any report of the study. Information provided will be combined for all participants and reported as summaries.
