

Complete the Notice of Appointment (Form SSA-1696)

Instructions for Representatives

This service allows you and the individual you agree to represent (i.e., the claimant) to complete your respective sections of the notice of appointment (Form SSA-1696) online, sign the form electronically, and submit it to us electronically. Before you begin, you will need the following information:

- · Your valid email address.
- The claimant's valid email address.
- · Your current mailing address and phone number.
- If you are registered, you will also need your Representative Identification (RepID) (This is the number you were assigned when you registered with us).

IMPORTANT: Submission of this form is a two-step process for each signer. We will not receive or process the form until both parties have completed their steps.

Step One. You, the **Representative**, must complete your designated sections of the form, **sign the form electronically**, and submit it to Adobe Sign.

Before beginning the form, you will first enter your and the claimant's email addresses into the application online.

You will also create a password that will be required for you and the claimant to access the form. You should provide the password to claimant by phone, in person, or SMS text message (standard message and data rates may apply). If contact with the claimant by phone, in person, or text is not possible, you may send the password via a separate email message.

You will receive an email from adobesign@adobesign.com containing a link and instructions on how to access the form.

NOTE: After you sign the form, the claimant will also receive an email from adobesign@adobesign.com containing a link and instructions on how to complete his or her portions of the form and submit it to SSA.

The form will be available to you and the claimant for 5 calendar days after you initiate the process online (i.e., when you enter your and the claimant's email addresses in order to receive a link to complete the form). You should inform the claimant about the importance of taking action in response to this email upon receipt of the email. If you and the claimant do not complete, sign, and submit the form within five (5) calendar days, you will need to start a new form.

Step Two. Upon receipt of email notification that the first step has been completed by you, the claimant accesses and reviews the partially completed form, completes their designated sections, **signs the form electronically**, and submits the form to us.

After successful submission of the form, adobesign@adobesign.com will send an email to you and the claimant with a link to the submitted form. This will allow you to save a copy for your records.

We will notify you and the claimant by mail when your form has been processed.

PLEASE NOTE:

- This website is most compatible with the following browsers: Microsoft Edge and Google Chrome.
- After 60 minutes of inactivity, the system will end your session, the form will delete the information you entered during the session, and you
 will have to repeat the first step again.
- If you (or the claimant) do not see an email notification within a few minutes of submission, check your junk folder. If you do not receive an email, you will need to submit a new form. We recommend that you verify the accuracy of your and your claimants' email address.
- A daily email reminder will be sent to you and the claimant until the form has been submitted or until the time expires.
- If you or the claimant lose the password, we do not have the ability to reset the password. You will have to restart the process.

Sections 206 and 1631(d) of the Social Security Act, as amended, allow us to collect this information. Furnishing us this information is voluntary. However, failing to provide all or part of the information may prevent us from appointing a representative to act on your behalf.

We will use the information to verify the appointment of your representative and his or her acceptance of the appointment. We may also share your information for the following purposes, called routine uses:

- To a congressional office in response to an inquiry from that office made on behalf of, and at the request of, the subject of the record or a third party acting on the subject's behalf;
- To Federal, State, and local law enforcement agencies and private security contractors, as appropriate, information necessary:
 - a. to enable them to protect the safety of Social Security Administration (SSA) employees and customers, the security of the SSA workplace, and the operation of SSA facilities; or
 - b. to assist investigations or prosecutions with respect to activities that affect such safety and security or activities that disrupt the operation of SSA facilities; and
- To contractors and other Federal agencies, as necessary, for the purpose of assisting SSA in the efficient administration of its programs.

In addition, we may share this information in accordance with the Privacy Act and other Federal laws. For example, where authorized, we may use and disclose this information in computer matching programs, in which our records are compared with other records to establish or verify a person's eligibility for Federal benefit programs and for repayment of incorrect or delinquent debts under these programs. A list of additional routine uses is available in our Privacy Act System of Records Notices (SORN) 60-0089, entitled Claims Folders System, as published in the Federal Register (FR) on October 31, 2019, at 84 FR 58422; 60-0320, entitled Electronic Disability Claim File, as published in the FR on June 4, 2020, at 85 FR 34477; and 60-0325, entitled Appointed Representative File, as published in the FR on October 8, 2009, at 74 FR 51940. Additional information and a full listing of all our SORNs, is available on our website at http://www.ssa.gov/privacy.

General Information About This Form

- You may appoint a qualified representative of your choice to represent you on any claim or asserted right under any of our programs. For more information on who can qualify to be an appointed representative, when your representative's appointment begins or ends, payment of fees to appointed representative(s), and other helpful information, you can visit our website at www.ssa.gov/representation, or call us, toll-free, at 1-800-772-1213. To find other helpful information or the address and telephone number for your local Social Security field office, you can visit www.ssa.gov/locator.
- You may use this electronic version of Form SSA-1696 to appoint a representative. However, we do not require you to use
 this electronic version; you can still use the paper version to tell us about your appointment. After you read, complete, and
 electronically sign the form, you must click "Click to Sign" to send us this form, or your appointment will not reach us. If we
 successfully process your appointment, we will send you a notice to tell you. You do not need to submit a paper form if you

- You may also choose to be unrepresented. We handle your case in the same manner whether you are represented or unrepresented. You do not need to appoint someone who simply helps you through the process. For example, you do not need to appoint someone who helps you call us, reads to you from documents, or interprets for you if you speak another language. You only need to appoint someone if he or she will be acting or appearing on your behalf, or will be making decisions about your case for you. If you choose to be unrepresented (or do not want to appoint the individual identified on this electronic form), do not complete or submit this form.
- You and your representative(s) must give us accurate information as quickly as possible. Providing misleading or false evidence
 on this form or your application, or withholding or delaying giving us evidence, could lead to possible criminal charges or

Appointing a Representative

Before completing your sections of this electronic form, please review the sections that you can view that were completed by the representative. If you agree with all of the information already entered, complete the highlighted sections, electronically sign and date the form in Section 8, and submit it to us by clicking "Click to Sign." After you submit the form successfully, you will receive an email from adobesign@adobesign.com with a link that will take you to a copy of the completed form that you can keep for your records. If you are appointing multiple representatives, you must use a separate form for each representative.

Section 1 - Claimant's Information and Number Holder's Information

Section 2 - Authorization for Disclosure

By selecting the disclosure box, you are authorizing us to give information to your representative's staff, partners, associates, and other individuals who work for or with your representative (such as contractors and copying services) about you and your pending case. We will check the credentials of the individuals requesting information on behalf of your representative for authentication purposes.

Section 5 - Representative's Status, Affiliations, and Certifications

Your representative must complete this section to let us know his or her status as a professional. If your representative is seeking a fee and is working for an employer, entity, or firm, he or she must also complete the affiliation section and give us the Employer's Identification Number (EIN). We will provide both your representative and the employer, entity, or firm information of the reported income. For more information about your representative's reported income and employer registration, visit our website at www.ssa.gov/representation. Your representative must certify the accuracy of all statements in this section.

Section 6 - Claim Type

The representative completes this section. Your representative will check the boxes for the types of claims you will be appointing them to represent you.

Generally, to charge a fee for services, your representative must get our approval. Your representative may waive the right to charge you a fee or tell us that a third party entity (business, government agency, or organization) will pay the fee. In these situations, the third party must pay out of its own funds the fee and any expenses, and you and any auxiliary beneficiaries (e.g., children or spouse) must be free of responsibility to pay any fees or expenses. If your representative is eligible for direct payment, he or she also may waive the right to direct payment.

Section 8 - Signatures

You must electronically sign and date this section and send the completed form to us by clicking the "Click to Sign" button. Remember, by signing this form you are appointing the named individual as your representative and authorizing us to disclose to him or her any information relevant to your claim(s) as if he or she were you.
