I have been advised of my right to have a disability hearing. I understand that a hearing will give me an opportunity to present witnesses and explain in detail to the disability hearing officer, who will decide my case, the reasons why my disability benefits should not end. I understand that this opportunity to be seen and heard could be effective in explaining the facts in my case, since the disability hearing officer would give me an opportunity to present and question witnesses and explain how my impairments prevent me from working and restrict my activities. I have been given an explanation of my right to representation, including representation at a hearing by an attorney or other person of my choice.

Although the above has been explained to me, I do not want to appear at a disability hearing, or have someone represent me at a disability hearing. I prefer to have the disability hearing officer decide my case on the evidence of record plus any evidence which I may submit or which may be obtained by the Social Security Administration. I have been advised that if I change my mind, I can request a hearing prior to the writing of a decision in my case. In this event, I can make the request with any Social Security office.
