

**CIP Administrator Follow-Up Telephone Interview: Non-Responder Telephone Script**

Hello [insert non-responder name], this is [insert your name] with [insert affiliation]. I'm following up to make sure you have the opportunity to participate in a phone interview about child welfare court practices in your state. The interview, which is voluntary, will ask follow-up questions to the online survey you recently completed and any clarifying questions we may have about the information provided in your state's CIP self-assessment report submitted to the Children's Bureau. The interview will help us plan for a future study or studies that will examine the factors associated with judicial decision-making and hearing quality in child welfare cases, and the influence those factors may have on judges' reasonable efforts decisions and on case outcomes. Your responses will help us understand what sites could be appropriate for this important research.
