

Completing the Occupational Employment and Wage Statistics (OEWS) Report Online

You are being asked to report the occupation and wage information about the employees at the location specified after “Report for” in the mailing address for the pay period that included **May 12, 2021**.

If your establishment has «state_cutoff» or more employees, we recommend uploading a spreadsheet or report from your payroll system. We prefer Excel files (.xlsx), but can accept almost any file format except executable (.exe) files.

- For teachers (primary or secondary educators), specify the grade level and indicate if they teach special education or career, technical, or vocational education.
- For teachers or substitute teachers being paid on a daily basis, report the daily wage and the number of hours in their workday.
- For faculty who work less than full time but receive an annual salary, report the salary and whether they are employed half-time, three-quarters time, one-third time, two-thirds time, etc.

IMPORTANT: To protect your data, your session will time out if you spend 30 minutes on a page. A warning will appear when five minutes remain. If you do not click “Stay Connected” to extend your session, your data will be lost and you will have to log in again.

We do not receive your data until you click “Submit Data to BLS” or “Send” at the end of the process.

1. Go to **IDCFOEWS.BLS.GOV**. Log in with your unique IDCF number, <sched_num>.
2. Follow the instructions to enter your contact information and answer questions about the location specified after “Report for” in the mailing address. You will be directed to either the data entry page or the file upload page based on the size of your establishment. Each page has a link you can use to switch to the other submission method if you would prefer.
3. Enter your occupation and wage data into our online form or select a file to upload.
4. If you entered your data into the online form, you will be able to review your entry and download and save a copy as an Excel file before submitting it. Click “Submit Data to BLS” to complete the submission. You will receive a confirmation email. Please save this email in case there are questions about your submission.

If you selected a file to upload, click “Send” to submit it. On the next page, click “Continue” to send yourself a confirmation email. Please save this email in case there are questions about your submission.

That’s it—you’re done! If you have questions or require assistance, please contact us at «state_email».

Thank you for your time—employers like you are the ONLY source of this information!

SAVE TIME! Upload a spreadsheet!

Many companies save time by sending us a spreadsheet or report from their personnel or payroll system. All we need is one column with job titles and one column with wages. Columns listing department and pay basis are optional, but helpful, and can reduce the need for follow-up phone calls.

Upload your spreadsheet or other report at
