Certification & Submission

You participated in PSP1 and you are NOT required to report salaries and benefits on Form 41 to the Department of Transportation (DOT) under 14 CFR Part 241.

As a PSP1 participant and a non-Form 41 filer, the PSP Extension Law provides you with two options for determining your awardable amount of financial assistance under PSP2.

Please select one of the two following options.

**Option A : PSP1 Amount + 15 Percent:** The amount that you were approved to receive (without taking into account any pro rata reduction) under the PSP1 pursuant to the CARES Act, plus an additional 15 percent of such amount.

**Option B : Form 41 Adjusted Amount:** The sum of i) the amount that you certify, using a sworn financial statement or other appropriate data, to be the total salaries and related fringe benefits you incurred and would have reported to the Department of Transportation on Form 41 as if you had been required to submit Form 41 for the period from April 1, 2019 through September 30, 2019; AND ii) an additional amount equal to the amount by which the amount certified under (i) above exceeds the amount you received under the PSP1 pursuant to the CARES Act.

Please be advised that choosing Option B will require you to provide a significant amount of documentation to Treasury in order to verify your requested awardable amount. As a result, selecting Option B may result in increased processing time for your application.

Please note you may save your application, consider the two options, and return to the application later to make your selection.

You have selected option A.

Your awardable amount for PSP2 will be your PSP1 amount plus 15 percent.

After you complete the certifications in the next section to submit your application, the Treasury will notify you when it has completed its review and, if approved, will provide instructions for entering into a PSP2 agreement and a timetable for receiving financial assistance.

Each corporate entity eligible to receive PSP2 financial assistance must complete a separate application, and each corporate entity that is approved for PSP2 financial assistance must enter into a PSP2 Agreement with Treasury.

Definitions

However, eligible entities whose applications are approved by Treasury, and who are affiliates (as defined in the "definitions" section), may enter into a single, consolidated PSP2 Agreement with Treasury, which would cover all affiliates. These entities may receive consolidated PSP2 payments to one central bank account.

Start Application

If you are affiliated with other PSP2 applicants and your corporate family would like to enter into a consolidated PSP2 Agreement with Treasury, please provide below the name and Taxpayer ID of the corporate parent and of each eligible affiliated entity applying for PSP2. Treasury will contact you about entering into a consolidated PSP2 Agreement for these affiliates. Please note that each affiliate entity must still submit a separate, discrete application.
