Afterschool Center Coaching Log

This afterschool center coaching log is part of the National Study of Continuous Quality Improvement to Inform the 21st Century Community Learning Centers Program, a national evaluation being conducted for the U.S. Department of Education by Mathematica. This afterschool center coaching log collects information each time you coach a center staff member from November 2021 through June 2023. In this log, you will record how long you spent coaching a specific center staff member and the focus of the coaching activities. If you have any questions about the study or your center's participation, email us at [STUDY EMAIL]@mathematica-mpr.com.

We would like you to know the following:

- The log takes about 5 minutes to complete.
- Your answers will be very valuable for the study to understand the coaching that afterschool center leaders and staff carry out to support their colleagues.
- **Your answers will be completely confidential; no information that identifies you, your staff, your center, or your regional or district afterschool program will be reported.** Your responses are protected from disclosure per the policies and procedures required by the Education Sciences Reform Act of 2002, Title I, Part E, Section 183. The study team will present the information collected as part of this study in an aggregate form and will not associate responses to any of the people who participate. We will not provide information that identifies you, your staff, your center, or your program to anyone outside the study team except if required by law. Your responses will be used only for statistical purposes. The reports prepared for this study will summarize findings across the sample and will not associate responses with a specific district, program, afterschool center, or person. Any willful disclosure of such information for nonstatistical purposes, without the informed consent of the respondent, is a class E felony.
- Completing this log does not pose any special risks to you as a respondent. The study has safeguards in place to ensure respondents' confidentiality, including restricted access to log data and separating identifying information such as staff and center names from survey responses. All members of the study team sign a confidentiality pledge, and all staff with access to identifiable study data have received clearance from the U.S. Department of Education and are subject to severe legal consequences for any breach of confidentiality. Any data that identifies you will be destroyed at the end of the study. If you have any questions about your rights as a study participant, contact HML IRB toll free at 1-202-753-5040 and reference IRB number 844MATH21.

I have read and I understand the above statements and agree to participate in this log.

If you would like a copy of this disclosure statement, please contact Kristina Rall at KRall@mathematica-mpr.com or (202) 264-3468.

Paperwork Reduction Act Statement - This information collection meets the requirements of 44 U.S.C. § 3507, as amended by section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget control number. The OMB control number for this information collection is XXXX-0XXX, expiring xx-xxx-20xx. We estimate that it will take about 5 minutes to read the instructions, gather the facts, and answer the questions. If you have any comments concerning the accuracy of the time estimate or suggestions for improving this form, please write to U.S. Department of Education, Washington, DC 20202. If you have comments or concerns regarding the content or the status of your individual submission of this form, write directly to U.S. Department of Education, Institute of Education Sciences, 550 12th Street, SW, Washington, DC 20202. **Send only comments relating to our time estimate to this address, not the completed form.**
