

2017 General Aviation and Part 135 Activity Survey Large Fleet Form

This form collects information based on 6 broad aircraft categories. We recommend responding for one aircraft category at a time—each category should be completed independently of the others.

Please return the completed pages in the enclosed postage-paid envelope. You may fax your responses to 1-608-661-5181 or email to infoaviationsurvey@tetrattech.com. You can complete the survey online at: www.aviationfleetsurvey.org (to log in, use your 7-digit password located in red in the bottom right corner of the page). If you have any questions about this study, please contact Tetra Tech at 1-800-826-1797.

Submission of this form is voluntary. The information obtained in the survey will only be used for statistical purposes, and will be kept private to the extent permitted by law. FAA will not publish any reports or tables that would reveal specific information reported by an individually identifiable respondent.

When reporting aircraft activity, include all hours flown by all users under all FAR Parts for all of 2017.

If you do not know the exact information for a particular question, please provide your *best estimate*.

Q1 Enter the number of aircraft in each aircraft type that were owned or operated by your organization as of December 31, 2017. Then, enter the state/territory in which each aircraft type was primarily flown in 2017. (Enter 0 if you did not own or operate aircraft in a category in 2017. If none of the aircraft in a category were flown, leave the state primarily flown blank.)
