PRE-ROADSHOW QUESTIONNAIRE

Thank you for agreeing to complete this questionnaire. This study is funded by the US Department of Transportation. Each questionnaire will take approximately 10 minutes to complete. Data collected from this questionnaire will be posted to the public VTTI Dataverse website for other researchers to access.

By submitting the questionnaire, you are agreeing to participate in this research study to collect opinions regarding automated driving system (ADS) technologies from members of the trucking industry. Personal information that may identify you will not be collected at any time. You may answer any of the questions with the option 'I prefer not to answer this question' if you do not feel comfortable answering. You may choose not to submit the questionnaire if you change your mind about participating. If you have any questions, please see a member of the VTTI research team.
