TITLE 49--TRANSPORTATION

SUBTITLE VI--MOTOR VEHICLE AND DRIVER PROGRAMS

PART B--COMMERCIAL

CHAPTER 311--COMMERCIAL MOTOR VEHICLE SAFETY

SUBCHAPTER III--SAFETY REGULATION

Sec. 31138. Minimum financial responsibility for transporting
passengers

(a) General Requirement.--The Secretary of Transportation shall prescribe regulations to require minimum levels of financial responsibility sufficient to satisfy liability amounts established by the Secretary covering public liability and property damage for the transportation of passengers for compensation by motor vehicle in the United States between a place in a State and--

- (1) a place in another State;
- (2) another place in the same State through a place outside of that State; or
- (3) a place outside the United States.

(b) Minimum Amounts.--The level of financial responsibility established under subsection (a) of this section for a motor vehicle with a seating capacity of--

- (1) at least 16 passengers shall be at least \$5,000,000; and
- (2) not more than 15 passengers shall be at least \$1,500,000.

(c) Evidence of Financial Responsibility.--(1) Subject to paragraph (2) of this subsection, financial responsibility may be established by evidence of one or a combination of the following if acceptable to the Secretary of Transportation:

- (A) insurance, including high self-retention.
- (B) a guarantee.
- (C) a surety bond issued by a bonding company authorized to do business in the United States.

(2) A person domiciled in a country contiguous to the United States and providing transportation to which a minimum level of financial responsibility under this section applies shall have evidence of financial responsibility in the motor vehicle when the person is providing the transportation. If evidence of financial responsibility is not in the vehicle, the Secretary of Transportation and the Secretary of the Treasury shall deny entry of the vehicle into the United States.

(3) A motor carrier may obtain the required amount of financial responsibility from more than one source provided the cumulative amount is equal to the minimum requirements of this section.

(d) Civil Penalty.--(1) If, after notice and an opportunity for a hearing, the Secretary of Transportation finds that a person (except an employee acting without knowledge) has knowingly violated this section or a regulation prescribed under this section, the person is liable to the United States Government for a civil penalty of not more than \$10,000 for each violation. A separate violation occurs for each day the violation continues.

(2) The Secretary of Transportation shall impose the penalty by written notice. In determining the amount of the penalty, the Secretary shall consider--

- (A) the nature, circumstances, extent, and gravity of the violation;
- (B) with respect to the violator, the degree of culpability, any history of prior violations, the ability to pay, and any effect on the ability to continue doing business; and
- (C) other matters that justice requires.

(3) The Secretary of Transportation may compromise the penalty before referring the matter to the Attorney General for collection.

(4) The Attorney General shall bring a civil action in an appropriate district court of the United States to collect a penalty referred to the Attorney General for collection under this subsection.

(5) The amount of the penalty may be deducted from amounts the Government owes the person. An amount collected under this section shall be deposited in the Treasury as miscellaneous receipts.

(e) Nonapplication.--This section does not apply to a motor vehicle--

- (1) transporting only school children and teachers to or from school;
- (2) providing taxicab service (as defined in section 13102);
- (3) carrying not more than 15 individuals in a single, daily round trip to and from work; or
- (4) providing transportation service within a transit service area under an agreement with a Federal, State, or local government funded, in whole or in part, with a grant under section 5307, 5310, or 5311, including transportation designed and carried out to meet the special needs of elderly individuals and individuals with disabilities; except that, in any case in which the transit service area is located in more than 1 State, the minimum level of financial responsibility for such motor vehicle will be at least the highest level required for any of such States.
