SUPPLEMENTARY INFORMATION:

Title: Motor Carrier Records Change Form.

OMB Control Number: 2126-0060.

Type of Request: Renewal and revision.

Respondents: For-hire motor carriers, brokers, and freight forwarders.

Estimated Number of Respondents: 27,122.

Estimated Time per Response: 15 minutes per response.

Expiration Date: August 31, 2021.

Frequency of Response: On occasion.

Estimated Total Annual Burden: 6,781 hours [27,122 responses × 0.25 hours per response].

Background

The Federal Motor Carrier Safety Administration (FMCSA) registers for-hire motor carriers under 49 U.S.C. 13902, surface freight forwarders under 49 U.S.C. 13903, and property brokers under 49 U.S.C. 13904. Each registration is effective from the date specified under 49 U.S.C. 13905(c). 49 CFR 365.413, “Procedures for changing the name or business form of a motor carrier, freight forwarder, or property broker,” states that motor carriers, forwarders, and brokers must submit the required information to FMCSA’s Office of Registration (MC-RS) requesting the change. 49 CFR 360.3(f) mentions fees that FMCSA collects for “petition for reinstatement of revoked operating authority,” but does not provide any specifics for the content that petition should take.

Motor carriers, freight forwarders, and property brokers are required to use Form MCSA-5889 to request a name or address change and to request reinstatement of a revoked operating authority. Respondents can submit the form online through the Licensing and Insurance (L&I) website, by fax, or by mail. According to data collected between 2017 and 2019, annually, 1 percent of forms are submitted by mail; 32 percent are submitted by fax; and 67 percent are submitted online. The information collected is then entered in the L&I database by FMCSA staff.

³⁴ 17 CFR 200.30-3(a)(12), (59).

Form MCSA-5889 enables FMCSA to maintain up-to-date records so that the Agency can recognize the entity in question in case of enforcement actions or other procedures required to ensure that the carrier is fit, willing, and able to provide for-hire transportation services, and so that entities whose operating authority has been revoked can resume operation if they are not otherwise blocked from doing so. This multi-purpose form, filed by registrants on a voluntary, as-needed basis, simplifies the process of gathering the information needed to process the entities' requests in a timely manner, with the least amount of effort for all parties involved.

To reduce burden on respondents, increase consistency among FMCSA forms, and to ensure regulatory compliance, FMCSA removed and added the following questions from the currently approved Form MCSA-5889:

1. Added a Yes/No question: "Do you currently have, or have you had within the last three years of the date of this application, relationships involving common stock, common ownership, common management, common control or familial relationships with any FMCSA-regulated entities?" The purpose of this is to close the affiliation disclosure loophole. If the respondent answers "Yes", they must then report the affiliate's USDOT number, MC/FF/MX number, legal name, doing business as name (if applicable), and current safety rating.

2. Added the Applicant's Oath. The applicant must read the oath, print their name and title, and sign the form. The purpose of this addition is to increase accountability and make Form MCSA-5889 consistent with similar FMCSA forms.

3. Removed one question asking whether the applicant or its representative completed the form. This was removed because the information is not necessary.

4. Removed three questions: name, title, and signature. This was done because, with the addition of the Applicant's Oath, these questions became redundant.

The form prompts users to report the following data points (whichever are relevant to their records change request):

- Requestor's fax number, email address, and applicant's oath.
- Entity's legal/doing business as names, USDOT number, docket MC/MX/FX number, current street address, and phone numbers.
- Affiliations with FMCSA-licensed entities.

- Requested changes to the entity's address.
- Requested changes to the entity's name and/or ownership, management or control.
 - Type(s) of operating authority the entity wishes to reinstate.
 - Credit card information (name, number, expiration date, address, date) if filing a name change or reinstatement.

FMCSA published a 60-day notice in the **Federal Register** on November 25, 2020, (85 FR 75402), announcing the Agency's intent to submit the *Motor Carrier Records Change Form* to OMB for approval, and requesting comments from the public. No comments were received.

Public Comments Invited: You are asked to comment on any aspect of this information collection, including: (1) Whether the proposed collection is necessary for the FMCSA to perform its functions; (2) the accuracy of the estimated burden; (3) ways for the FMCSA to enhance the quality, usefulness, and clarity of the collected information; and (4) ways that the burden could be minimized without reducing the quality of the collected information.

Issued under the authority delegated in 49 CFR 1.87.

Thomas P. Keane,

Associate Administrator, Office of Research and Registration.
