

Department requires frank and full advice from representatives of the financial community prior to making its final decisions on major financing operations. Historically, this advice has been offered by debt management advisory committees established by the several major segments of the financial community. When so utilized, such a committee is recognized to be an advisory committee under 5 U.S.C. App. 2, 3.

Although the Treasury's final announcement of financing plans may not reflect the recommendations provided in reports of the Committee, premature disclosure of the Committee's deliberations and reports would be likely to lead to significant financial speculation in the securities market. Thus, this meeting falls within the exemption covered by 5 U.S.C. 552(b)(9)(A).

The Office of Debt Management is responsible for maintaining records of debt management advisory committee meetings and for providing annual reports setting forth a summary of Committee activities and such other matters as may be informative to the public consistent with the policy of 5 U.S.C. 552(b). The Designated Federal Officer or other responsible agency official who may be contacted for additional information is Fred Pietrangeli, Director for Office of Debt Management (202) 622-1876.

Dated: April 6, 2021.

Frederick E. Pietrangeli,

Director (for Office of Debt Management).

Abstract: A Claimant's eligibility for Pension is determined, in part, by countable family income and net worth. Any individual who has applied for, or receives, VA Pension or Parents' Dependency and Indemnity Compensation (DIC) must promptly notify the VA in writing of any change in entitlement factors. VBA uses Eligibility Verification Reports (EVRs) to receive income and net worth information from Pension and Parents DIC claimants and beneficiaries to evaluate eligibility for benefits. The reported information can result in increased or decreased benefits. Typically, the claimants and beneficiaries utilize the form to notify the VA of changes in the income and net worth, though the forms could be used to reopen a claim for benefits in limited circumstances. In an effort to safeguard Veterans and their beneficiaries from financial exploitation, the instructions on forms within this collection were amended to include information regarding VA-accredited attorneys or agents charging fees in connection with a proceeding before the Department of Veterans Affairs with respect to a claim.

Affected Public: Individuals and households.

Estimated Annual Burden: 34,500.

Estimated Average Burden per Respondent: 30 minutes.

Frequency of Response: One time.

Estimated Number of Respondents: 69,000.

By direction of the Secretary:

Maribel Aponte,

VA PRA Clearance Officer, Office of Enterprise and Integration/Data Governance Analytics, Department of Veterans Affairs.
