

## FFIEC 051

### **Draft Reporting Form for Proposed Call Report Revisions With Proposed Effective Dates Beginning with June 30, 2020**

This draft reporting form, which is subject to change, presents the pages from the FFIEC 051 Call Report as they are proposed to be revised, subject to final approval by the U.S. Office of Management and Budget (OMB). These proposed revisions are described in the federal banking agencies' initial Paperwork Reduction Act (PRA) [Federal Register notice](#) published on July 22, 2020. As discussed in the agencies' final PRA [Federal Register notice](#) published in the *Federal Register* on November 23, 2020, the agencies are proceeding with the revisions to the FFIEC 051 Call Report form with certain modifications. The initial and final notices are available on the [FFIEC's web page for the FFIEC 051 Call Report](#).

The revisions to the report form with the effective date of June 30, 2020, pertain to interim final rules (IFRs) and a final rule published by one or all of the banking agencies from March through June 2020 as well as Section 4013 of the 2020 Coronavirus Aid, Relief, and Economic Security Act (CARES Act), which provides optional temporary relief from accounting for eligible loan modifications as troubled debt restructurings. The IFRs and final rule revise certain aspects of the agencies' regulatory capital rule, amend the Federal Reserve Board's (Board) Regulation D on reserve requirements, except certain insider loans from the Board's Regulation O, and modify the Federal Deposit Insurance Corporation's deposit insurance assessment rules. In the second quarter, the agencies received emergency approvals from OMB to implement changes to the Call Report arising from these interim final rules, the final rule, and Section 4013 of the CARES Act. Most of the IFRs have since been finalized and none of the final rules affected the revisions to the report form that took effect June 30, 2020.

Certain other proposed revisions and clarifications to the FFIEC 051 Call Report with effective dates beginning with the December 31, 2020, report date also are included in this draft reporting form.
