**Get noticed by recruiters--make your resume searchable**

If you make your resume searchable, your profile is automatically searchable too. Recruiters can search your profile and resume to match your background with the jobs they're looking to fill. You can only make one resume searchable at a time.

Upload or build resume

Uploaded documents must be less than 5MB and in one of the following document formats: GIF, JPG, JPEG, PNG, RTF, TXT, PDF or Word (DOC or DOCX).

### Make your resume searchable

- You can only make 1 resume searchable at a time.
- Only certain file types are searchable including word, text based pdfs, text files and resumes created using our Resume Builder tool.
- If you make your resume searchable and your profile is complete, your profile will be searchable too.

### Do not include the following in your resume

- Classified or government sensitive information
- Social Security Number (SSN)
- Photos of yourself
- Personal information, such as age, gender, religious affiliation, etc.
- Encrypted and digitally signed documents
