

Voluntary USAID Partner Survey: Operating in the COVID-19 Environment

This is a voluntary and anonymous survey. There is no requirement or obligation by USAID partners to complete the survey. Emails of organizations submitting responses will not be collected. The purpose of this survey is to identify areas of USAID support for partners implementing existing USAID funded activities in the COVID-19 operating environment. Please respond to each question based on the current operating environment in the countries where you work. This survey should take between 15-30 minutes to complete depending on the number of regions where your organization currently implements USAID activities.
