Public Burden Statement: The purpose of this data collection system is to collect aggregate data on the number of new and existing clients, and clients who have been out of care treated with EHE initiative funding. HAB will use these data to show the impact of the increased funding on reducing new HIV infections, identifying new HIV infections, engaging clients in care and treatment. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this information collection is 0915-0318 and it is valid until XX/XX/202X. This information collection is mandatory (through increased Authority under the Public Health Service Act, Section 311(c) (42 USC 243(c)) and title XXVI (42 U.S.C. §§ 300ff-11 et seq.). Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to HRSA Reports Clearance Officer, 5600 Fishers Lane, Room 14N136B, Rockville, Maryland, 20857 or paperwork@hrsa.gov
