Qualitative/Exploratory Research

Warm-up Questions

- Please tell [me/the group] your first name, and a little about [insert topic]
- What do you know about [INSERT TOPIC]?
- How would you define, or how would you have others refer to [insert topic]?
- What do [you/your friends] think about [INSERT TOPIC]?

HIV/STD/TB/viral Hepatitis: knowledge/awareness/perceptions

1. Name as many diseases/illnesses that you can think of that can be transmitted or shared through sexual contact.
2. What are some of the things people can do to prevent getting an STD?
3. How is [topic] viewed by [people you know/your community]?
4. Is/are [insert disease] common in [insert population/group]?
5. Which STDs would you think are the most common among [insert population/group]?
6. What are some things that may be contributing to [insert problem, disease]?
7. What do you think about that?
8. How common do you think [insert contributing factor] is in your community?
9. Do you think [insert contributing factor] affects how people approach or think about sex? How?
10. Where do [insert disease] fit in with other things people have to worry about in their lives?
11. Is [insert disease] more common than [insert disease]?
12. Who is at risk for [insert disease]?
13. Do you think [insert population/group] is/are at higher risk of getting [insert disease] than [insert population/group]?
14. Do you think [insert population/group] are at higher risk of getting [insert disease] or [insert another disease]?
15. Have you heard that [insert fact]?
16. What do you think about [insert fact]?
17. Do you believe [insert fact] to be true?

Practices

1. Do many people [you know/in your community] practice [insert behavior]?

-
2. When/why would people practice [insert behavior]? Probe:
Does it depend on [insert scenario/fact]?
 3. What would you do if [INSERT SCENARIO]?
 4. Have you ever talked to a sex partner about whether you
or they ever had an STD?
 5. What factors might make a conversation with a partner
about [insert topic] easier/harder?

Prevention/Testing/Treatment Services

1. Have you ever been tested for [insert disease]?
2. Have you ever been told you had [insert disease]?
3. Under what circumstances would you consider getting
tested for [insert disease]?
4. What would make it easier for you to get tested?
5. What have you heard about what it's like to [insert
prevention/testing/treatment-seeking behavior]?
6. What would you describe as fears or problems to [insert
testing/prevention behavior]? Have you heard any concerns
from your friends?
7. If you were in charge of a program to promote [insert
prevention/testing behavior], what might you say or do to
deal with these fears or problems?

Sexual Orientation

1. In the past 12 months have you had sex with a man?
2. In the past 12 months have you had sex with a woman?
3. How would you describe your sexual identify?
4. How often did your parents/caregivers blame you for any
anti-gay mistreatment that you experienced?
5. Have you experienced stress or conflict in your
relationship(s) with (person) because of your sexual
orientation? If so, what types?
6. Have you ever left your home because of stress or
conflict in your relationship(s) with (person)?
7. Who do you talk to when you need advice or guidance about
dealing with issues related to your sexual orientation?
8. What sex is listed on your original birth certificate?
 - Male
 - Female
 - Refused
 - Don't Know
9. How do you describe your gender identity?
 - Male
 - Female
 - Male-to-female transgender (MTF)
 - Female-to-male transgender (FTM)

Other gender identity (specify)

10. 4) What sex is listed on your original birth certificate?

- Male
- Female

11. Just to confirm, you were assigned at {_FILL based on first question__} at birth and now describe yourself as {FILL based on 2nd question}. Is that correct?

- Yes
- No
- Refused
- Don't know

Information seeking

1. Where would you go to get information about [insert disease topic]?
2. A friend asks you for help finding a place to get tested for [insert disease]. Where would you go to find that information?
3. How would you like to receive information about [insert topic]?

Sex/Relationships/Roles

1. In general, what kinds of things are [you/women/men] looking for in sexual or intimate relationships?
2. What (benefits) are [you/people] getting out of [insert relationship type]?
3. How do you weigh the risks and benefits in deciding to have sex?
4. In relationships, what do you think [insert population/group] expect from their partners in terms of [sex/intimacy/monogamy/protection]?
5. What do you see as the [man's/woman's] role or responsibility in sexual relationships?
6. Are there certain things that [men/women] should be doing for their partners that they are not?
7. In thinking about the people you know, what things would you like to see changed or to be different that relate to [relationships/sex]?

Stigma and Community Beliefs

1. If someone was being tested for [insert disease], what would people you know think about that person? Why?

Probe: Would it matter what STD they were being tested for?

2. How do people in general feel about someone who has (or has had) [insert disease]?

Probe: Does this differ for men and women with [insert disease]?

4. Who gets the blame for spreading [insert disease]?

Probe: Do you think views on this are different between men and women? Why is that?

5. Do people view [insert disease] as being more of a problem among [insert population/group] than among [insert population/group]?

6. What do [you/your friends/family/people in groups you belong to] think about [insert practice, lifestyle, trend, phenomenon, scenario]? How common is that?

Government Trust

1. Do you think people trust that they can get the care they need if they have [insert disease]?
2. How would you compare the [insert preventive, screening or treatment service] that [insert population/group] get, compared to that of [insert population/group]?
3. How do people feel about the government's response to [insert public health problem]?
4. Do you believe the government has your interest in mind?
5. What more should the government be doing?

Framing and Communication

1. When you hear "STDs", do you think of them as one disease - or as a bunch of separate diseases? Tell me about that.
2. When I first mentioned STDs, were [any of] you also thinking about HIV? In other words, do you view HIV as an STD or as its own separate disease?
3. How are STDs and HIV the same? How are they different?
4. Are there specific STDs that people worry about getting? Which ones?
5. Is it important to make sure that [insert population/group] know(s) that STDs are a threat?
6. What would be a good way to:
 - Raise awareness that [insert population/group] may be personally at risk?
 - Motivate [insert population/group] to [insert behavior]?

-
7. What type of information would [insert population/group] be most receptive to? For example, should messages emphasize:
 - the disease (STDs) and health consequences?
 - the racial differences (disparity)?
 - healthy sexuality or behaviors?
 - individual or community empowerment/affirmation?
 8. What, if anything, must change first to enable [insert desired behavior/action/goal]?
 9. When thinking about [insert disease] information, would [you/people you know] prefer to see general information about all STDs combined or each STD separately? Why? What about receiving STD information combined with information about HIV?
 10. Probe: Could we combine STDs that...
 - Are transmitted the same ways (skin-to-skin vs. fluids)?
 - Have similar symptoms?
 - Have similar health consequences?
 - Can be treated vs. those that are incurable (you have forever)?
 11. When it comes to getting [insert disease] information, who are the people/organizations you are [most/least] likely to trust/listen to?
 12. How would you like to get this information? [Format? Channels?]
 13. When and where would you be most receptive to this information?

Audience Reactions to Information

1. How does this information make you feel?
2. How would you feel if you saw this kind of information publicized in [insert community]?
3. Is it important to get this information out?
 - Probe: Why? To whom?

Evaluation

1. Have you ever heard of a campaign called [insert campaign name]?
2. If yes, have you ever [insert action] as a result of [insert campaign name]?
3. In the last six months, do you recall seeing any messages about [insert topic] in/on [insert channel/setting]?

Quantitative Research/Survey Questions

Screening Questions

1. 1. How do you describe your gender identity?
[Read ALL responses. Do not assume]

Male
Female
Male-to-female transgender (MTF)
Female-to-male transgender (FTM)
Refuse to answer

2. How old are you? _____

- 3 Are you Hispanic/Latina? Yes/No/Don't know

4. What is the category that describes your racial/ethnic background?

African American or Black
American Indian/ Alaska Native
Asian.....
Native Hawaiian/ Other Pacific Islander
White or Caucasian.....
Select all that apply

Would you describe yourself as...

Heterosexual or straight. .
Homosexual, gay or lesbian
Bisexual.....
Other
Decline.....

5. Have you ever had sexual intercourse?

6. Within the past 6 months, have you had sexual intercourse (or sex) with a [man/woman/person]? Yes/No

7. Have you ever had a pelvic exam or Pap test? Yes/No

8. Have you ever gone to a doctor/clinic/other to get birth control?

9. Do you or does anyone else in your immediate family or household work... [READ LIST.]

In marketing research?.....
In marketing or advertising?.....
In public health or healthcare?.....
None.....

10. Have you participated in a focus group or interview [on the topic of-INSERT] in the last 6-months?Yes/No

11. What is your current marital status?

Single
Divorced or Widowed
Married
Refuse.....

Follow up single with:

- in a committed/monogamous relationship
- in an open relationship
- casually dating one person
- casually dating more than one person
- not dating anyone at this time
- other_____

12. What grade are you in? _____

13. What is the highest level of education you have completed?

[READ LIST IF NECESSARY]

Primary or Middle School (grade school)
Some high school, but not a graduate
High school graduate (or GED)
Some college/technical, not graduate.....
College graduate or higher
Refused.....

13. What is your yearly household income?

Less than \$20,000
\$20,000-\$39,999
\$40,000-\$59,999
\$60,000-\$69,000
\$70,000-\$79,000
\$80,000 or above
Don't know

14. When was the last time you visited a doctor or nurse for a health checkup (this does *not* include visits to the dentist, optometrist, or psychologist).

- Within last year
- 1-5 years ago
- More than 5 years ago
- Don't remember

15. What type of healthcare provider did you see?

- a. *General practitioner/Internist*
 - b. *OB/GYN*
 - c. *Medical specialist other than GYN*
 - d. *Nurse practitioner*
 - e. *Nurse*
 - f. *Other [Record]*
-

16. How many months or years have you lived in the community where you currently live? _____

17. Do you feel like you are a part of the community where you currently live? Yes/No

1. Which of the following statements describes your current employment?

- Working full-time
- Working part-time
- Unemployed or laid off
- Other [Specify: _____]

2. Have you ever been in jail or prison?

- Yes.....
- No.....

3. Do you have a primary care doctor? Yes/No

4. Do you have health insurance? This includes insurance you may get through an employer, purchase on your own, or get

through a government program like Medicaid, Medicare, the military or Veteran's Administration. Yes/No

22. What language do you speak at home? Please mark ALL that apply
- English
 - Spanish
 - Another language (What language?
_____)

HIV/STD/TB/viral Hepatitis Testing

23. When you hear the words "Sexually Transmitted Disease" or STD, do you think of HIV
- Yes.....
- No.....

24. Have you ever been tested for [insert disease]? Yes/No

25. Where were you tested for [insert disease]?
- Clinic
 - My doctor (private doctor's office)
 - Emergency room (ER)
 - Retail clinic (walmart, pharmacy)
 - home kit
 - Other

26. Have you ever been told you had [insert disease]? Yes/No

27. Who told you that you had [insert disease]?
- health care provider
 - sex partner
 - health department
 - friend
 - other

28. When was your last test for [insert disease]?
- Less than 6 months ago.....
- 7-11 months ago.....
- 1-2 years ago.....
- 3-5yrs ago.....
- More than 5 yrs ago.....

29. Which of the following describes how often you get tested for [insert disease]?

- I have been tested at least once, but not on a regular basis
- I test regularly or after any situation where I might have been exposed to [insert disease]

30. Which of these are the main reasons for your last [insert disease] test? Please select one or more of the following reasons.

- I just wanted to find out if I had an [insert disease]
- I was worried that I was infected.....
- A doctor, nurse or other health care provider recommended that I get tested.....
- The Health Department asked me to.....
- My sex partner asked me to.....
- I found out my sex partner cheated.....
- I had [insert disease] in the past and I needed to get re-tested.....
- I was starting a new relationship.....
- My previous sex partner told me he/she was infected after we had sex.....
- Other reason [SPECIFY: _____].

31. Below is a list of reasons why some people have not been tested for [insert disease]. Which of these are the main reasons why you have not been tested?

I have not been sexually active

- I have not had unprotected sex.....
- I am afraid to find out that I have [insert disease].....
- I don't want to think about having [insert disease].....
- I don't think I am at risk.....
- I don't like needles.....
- I don't trust the results to be kept private.....
- I would have to wait too long for the results.....
- I don't know where to get tested.....
- I trust my sex partner(s).....
- I would be embarrassed.....
- It is too expensive.....
- I don't have any symptoms.....
- I know that I don't have anything.....
- I know that my partner(s) doesn't have [insert disease]...
- Some other reason [SPECIFY: _____].

32. If an organization in your community offered you free, confidential [insert disease] testing, would you choose to get tested?

Yes

No

Maybe.....

33. How likely do you think it would be that others would find out if you or someone you know went to get tested for [insert disease]?

Very unlikely.....

Not very likely.....

Somewhat likely.....

Very likely.....

Knowledge, Attitudes, Beliefs about STDs/HIV

What concerns you about getting [insert disease]? [check all that apply]

- Others finding out I have [insert disease]
- Having a fatal disease (that will kill me).....
- What it will do to my body (possible health effects)
- Having it forever (not being able to cure it).....
- Not being able to have children.....
- Not being able to have sex.....
- Not being able to live a normal life.....
- Having to tell my partner.....
- Being rejected by partner, family or friends
- Other.....
- Nothing.....

Please indicate how much you agree or disagree with each of the following statements.

	Strongly disagree	Disagree	Neither agree nor disagree	Agree	Strongly agree
a. [insert disease] is/are not a concern for me.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
b. There are medications available to treat [insert disease].	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	Strongly disagree	Disagree	Neither agree nor disagree	Agree	Strongly agree
c. I don't need to worry about getting [insert disease] because I know everything about my partner(s).	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
d. Knowing whether I have [insert disease] helps me take responsibility for myself.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
e. Knowing whether I have [insert disease] helps me be a responsible lover or partner.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
f. [insert disease] is/are not a big problem in my community.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
g. I should get tested for [insert disease] because I may be at risk.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
h. People need education to learn how to avoid getting [insert disease].	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
i. I am less likely than most people to get [insert disease].	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
j. [insert disease] rates are higher in the [insert population] than in other populations.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
k. [insert disease] is/are a big concern for the people I know.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
l. The people I know are concerned about [insert disease].	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
m. People with [insert disease] have been hanging with the wrong crowd.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

	Strongly disagree	Disagree	Neither agree nor disagree	Agree	Strongly agree
n. People with [insert disease] should be ashamed of themselves.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
o. Getting [insert disease] means a woman is dirty.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
p. Someone with [insert disease] is damaged goods.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
q. If someone has [insert disease], others will think they are a bad person.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
r. If someone has [insert disease], people will gossip.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
s. If someone has [insert disease], health workers will think poorly of them.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
t. Getting [insert disease] means a man is dirty.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
u. If I had [insert disease], I would feel embarrassed.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
v. At the clinic, everyone would know if I was being tested for [insert disease].	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
w. Getting [insert disease] means I don't take care of myself.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
x. Getting [insert disease] would make me feel lonely.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
y. Getting [insert disease] means I have poor morals.	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
z. In relationships, men feel entitled to have sex	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

What do you personally associate with sex? [circle all that apply]

physical pleasure	emotional closeness	feeling good
feeling strong	necessary evil	feeling in control, powerful
feeling used	feeling confident	obligation
feeling desired	feeling sexy	stress relief
pain	release	other

Please indicate on the following seven point scale how **serious** you consider each of the following sexually transmitted diseases (STDs) to be. If you haven't heard of the STD or don't know enough about it to answer the question, check "don't know."

STDs = Sexually Transmitted Disease	Not Serious 1	Somewhat serious 2	Very Serious 3	Don't know 4
Bacterial Vaginosis (BV)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Chancroid	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Chlamydia (The Clam)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Genital herpes	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Gonorrhea (Dose, Clap, Drip)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Hepatitis B (Hep B)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
HIV (Has the Package, HI-v)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Human Papillomavirus (HPV)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pubic lice (Crabs)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Syphilis (Syph, Pox, Bad Blood)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Trichomoniasis (Trich)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Genital Warts	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Please indicate on the following seven point scale how **curable** you consider each of the following STDs. If you haven't heard of the STD or don't know enough about it to answer the question, check "don't know."

STDs = Sexually Transmitted Disease	Not curable 1	Somewhat curable 2	Easily curable 3	Don't know 4
Bacterial Vaginosis (BV)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Chancroid	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Chlamydia (The Clam)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Genital herpes	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Gonorrhea (Dose, Clap, Drip)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Hepatitis B (Hep B)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
HIV (Has the Package, HI-v)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Human Papillomavirus (HPV)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pubic lice (Crabs)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Syphilis (Syph, Pox, Bad Blood)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Trichomoniasis (Trich)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Genital Warts	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Please indicate on the following seven point scale to what extent you consider yourself to be ***at risk*** for each of the following STDs. If you haven't heard of the STD or don't know enough about it to answer the question, check "don't know."

STDs = Sexually Transmitted Disease	Not at all at risk 1	Somewhat at risk 2	Very much at risk 3	Don't know 4
Bacterial Vaginosis (BV)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Chancroid	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Chlamydia (The Clam)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Genital herpes	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Gonorrhea (Dose, Clap, Drip)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Hepatitis B (Hep B)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
HIV (Has the Package, HI-v)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Human Papillomavirus (HPV)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pubic lice (Crabs)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Syphilis (Syph, Pox, Bad Blood)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Trichomoniasis (Trich)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Genital Warts	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Please indicate on the following seven point scale how **shameful** people consider each of the following STDs to be for those infected. If you haven't heard of the STD or don't know enough about it to answer the question, check "don't know."

STDs = Sexually Transmitted Disease	Not at all at risk 1	Somewhat at risk 2	Very much at risk 3	Don't know 4
Bacterial Vaginosis (BV)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Chancroid	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Chlamydia (The Clam)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Genital herpes	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Gonorrhea (Dose, Clap, Drip)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Hepatitis B (Hep B)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
HIV (Has the Package, HI-v)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Human Papillomavirus (HPV)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Pubic lice (Crabs)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Syphilis (Syph, Pox, Bad Blood)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Trichomoniasis (Trich)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Genital Warts	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Racism/Homophobia/Discrimination

1. Have you experienced [racist/homophobic/other] attitudes, beliefs or actions in your life?

Yes
 No

2. When you feel you've been treated unfairly or discriminated against because of being [insert race/ethnicity/sexual orientation,] you... [Please mark all that apply]

Find comfort in your faith/spirituality.....
