## **Fellowship Management System (FMS)**

### **FMS Host Site Module**

### **Privacy Act and Public Burden Information**

### **Privacy Act Information**

The Privacy Act applies to this information collection. Information collected will be kept private as noted in the System of Records Notice is 09-20-0112, *Fellowship Program and Guest Researcher Records*.

**Public Burden Information** 

Form Approved OMB No. <u>0920-0765</u> Exp. Date <u>01/31/2021</u>

Public reporting burden of this collection of information is an estimated average of 60 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-0765).

### 1. Introduction

The purpose of this document is to list all the data elements of the host site application collected online through the Fellowship Management System (FMS). The FMS online host site assignment module is a streamlined mechanism for agencies, who are interested in hosting fellows of the Centers for Disease Control and Prevention (CDC) fellowships to submit their assignment proposals online and track statuses of the application processes. The FMS is a robust flexible framework and is successfully tailored for various CDC fellowships. The following fellowships use the FMS Host Site Application module to collect applications from federal and non-federal public health agencies and organizations:

- 1. Epidemic Intelligence Service (EIS)
- 2. CDC E-learning Institute (ELI)
- 3. Epidemiology Elective Program (EEP)
- 4. Future Leaders in Infections and Global Health Threats (FLIGHT)
- 5. Laboratory Leadership Service (LLS)
- 6. CDC Steven M. Teutsch Prevention Effectiveness (PE) Fellowship
- 7. Public Health Associate Program (PHAP)
- 8. Public Health Informatics Fellowship Program (PHIFP)
- 9. Science Ambassador Fellowship (SAF)
- 10. Preventive Medicine Residency and Fellowship (PMR/F)
- 11. Population Health Training in Place Program (PH-TIPP)

### **1.1 Document Structure**

This document is broken down by the major pages of the FMS Host Site Application. In this document, each page of the FMS Host Site Application has sections and some sub-sections. In addition, application instructions, login, and registration pages are included.

Following the screenshots in each section is a table that shows the status of the collection of data elements by each CDC fellowships. The following labels indicate the status of the collection:

- "Yes" indicates that the fellowship collects the information and that alumni are required to submit this information.
- "No" indicates that the fellowship does not collect this information.
- "-" indicates open text field

In addition, the table shows the data values of each data element, and for ones that have a list of dropdown values, the data value category is hyperlinked to its list located in the Appendix.

6.9.1 Position Assignment Details

Figure 6.9.1-a. Position Assignment Details Fields

#### Attachment 5 - FMS Host Site Module

Position Assignment Details	
Please provide tentative information on the types of projects that may be available, a title for your position, and any additional information that would be helpful with matching a student to you site. Please note that specific project details do not need to be identified until approximately 30 days in advance of the rotation dates.	
Provide a title for the rotation that we can share with finalists. The title should include information of the types of projects that may be available and the public health topic area (e.g., Assisting with projects related to measles surveillance and vaccination, possibly including conducting a literature review and developing a factsheet)	
Rotation Title: *	
How would you best describe the subject area covered in this position? *	What type of project(s) will the student(s) likely be assisting with? (Select all that
<ul> <li>Obesity, nutrition, and physical activity</li> </ul>	may apply) *
Cancer prevention and control	Data collection
O Diabetes	
<ul> <li>Heart disease and stroke prevention</li> </ul>	Data entry
<ul> <li>Tobacco prevention and cessation</li> </ul>	Data analysis
Other chronic disease	
Emergency preparedness and response	Intervention/program planning
Asthma and air pollution     Environmental health	Intervention/program implementation
Immunizations/vaccine preventable disease	Intervention/program evaluation
Influenza     Influenza	
HIV/AIDS or Tuberculosis	Literature review
<ul> <li>Viral hepatitis</li> </ul>	Scientific writing (e.g., drafting a section of a report)
Foodborne Disease	
<ul> <li>Waterborne diseases</li> </ul>	<ul> <li>Communications/design (e.g., developing flyers, website content)</li> </ul>
Vectorborne disease	Field investigation
One Health and zoonotic disease	Other
<ul> <li>Arctic Investigations (Alaska)</li> </ul>	U Otrei
<ul> <li>Healthcare-associated infections</li> </ul>	Specify: *
Quarantine and border health services	apeony.
Unintentional injury     Original data and a second s	
Opioid/prescription drug overdose prevention     Occupational health and safety	
Occupational nealth and safety     Violence Prevention	
Maternal and infant health	
Health statistics	Please provide any additional details related to your office or the position that would be
<ul> <li>State, local, and territorial health</li> </ul>	helpful with matching a student with your site (e.g. skill or experience preferences):
<ul> <li>Global health</li> </ul>	······································

## 6.10 FLIGHT

### 6.10.1 Host Site Information

#### Figure 6.10.1-a. Host Site Information Fields

FLIGHT
Host Site Information
Please describe the types of public health science or research projects that the candidate can expect to conduct, and describe how the projects will advance the candidate's competencies. Ideally these projects should be multi-year, involve the candidate from planning to execution, and allow the candidate opportunities to develop scientific and leadership skills.
Public health science or research projects: *
Please describe opportunities for activities, projects, or investigations that involve collaboration with external public health partners (e.g., local, state, or international partners, universities, NGOs). Include a description of the nature of the collaboration, the candidate's potential role, and the potential for the candidate to travel to interact on-site with the external public health partners. Opportunities to collaborate with public health partners: *
Other Host Site Information
Host site strengths: *
Describe other staff and resources available at the host site: *
Special skills in a candidate that are useful for this host site: *

## 6.14.6 Population Information

Population Information
Level of Population Served: *
State
County/Parish/Borough
Local
O Other
Specify: *
Is this a tribal-focused assignment or does is serve a predominately tribal population? $^{\ast}$
O Yes
O No
Estimated population impacted by the Public Health Associate's work: *
Racial Category: *
American Indian or Alaska
Asian
Black or African American
Native Hawaiian or Pacific Islander
U White
Ethnicity:
Hispanic or Latino
Age: *
Under 5 years
5 - 17 years
18 - 24 years
25 - 44 years
45 - 64 years
65 years and over
Sex: *
Male
E Female
Other
For example: If the associate is at a state health department, and your state population is 500,000, enter 500,000 as the total population. If the associate will be working in a program area that addresses adolescent health, and the population of those aged 10- 14 years is 35,000, enter 35,000 for estimated population served. Then break down the race/ethnicity, age, and gender of the population the PHAP will be serving.

#### Attachment 5 - FMS Host Site Module

## **10. Student Rotation Preferences**

|--|

Figure 10.-a. Student Rotation Preference Fields

Student Rotation Preference
For each student you would like to host, please add a student rotation preference row (e.g., if you are willing to host two students, add two rows). For each student, indicate the type of student you are willing to host (medical, veterinarian, no preference) and rotation preference (A, B, C, D).
Which type of student would you like to host? *
Medical Student
Veterinarian Student
No Preference
Rotation Preferences: • Rotation A: January 13 - February 21, 2020 (6 Weeks) • Rotation B: January 13 - March 6, 2020 (8 Weeks) • Rotation C: March 23 - May 1, 2020 (6 Weeks) • Rotation D: March 23 - May 15, 2020 (8 Weeks)
Student Position Rotation Preference: *
Rotation A
Rotation B
Rotation C
Rotation D
Rotation A or B
Rotation A or C
Rotation B or D
Rotation C or D
No Preference
