National Institute of Mental Health Intramural Research Program Office of Fellowship Training (OFT) Annual Trainee Survey

Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648). Do not return the completed form to this address.

Thank you for taking the time to fill out this survey. Your responses will help OFT improve the Fellowship Training experience at the NIMH. This survey should take ≤10 minutes to complete. All data will be collected by the NIMH Strategy & Analytics Branch and reported to OFT in the aggregate (e.g., 37% of respondents would recommend training in their lab to a colleague).

{Questions in BLUE will only appear if the conditions in the brackets are met regarding the answers to previous questions.}
