

NLM NCBI PubMed Clinical Queries Survey

OMB Control Number: 0925-0648

Expiration Date: 05/31/2021

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a current valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648). Do not return the completed form to this address.

Q1 Which role most closely describes you? (Please choose the best option.) *

- Student
 - Researcher
 - Educator/trainer
 - Librarian or information professional
 - Healthcare Professional
 - Patient, family, caregiver, or friend of patient
 - Other (please specify below) _____
-

Q2 What was your primary reason for visiting PubMed today? (Please choose the best option.) *

- Find biomedical literature
 - Find information about medical conditions or medical devices
 - Find information on clinical studies or clinical trials
 - Find biomedical data
 - Find historical information about medicine or health
 - Find literature and/or data on COVID-19 specifically
 - Other (please specify below) _____
-

Q3 Which of the following specialized PubMed Clinical Queries did you use today? *

- COVID-19
- Clinical Study
- Both
- I did not use the PubMed Clinical Queries
- I don't know / Not sure

Q4 If you did not use PubMed Clinical Queries for a search, why not? (Select all that apply.) *

- They didn't seem like a useful resource for me
 - I prefer to structure my own searches/queries
 - I wasn't sure how to use the Clinical Queries page
 - I didn't know PubMed has Clinical Queries available as a resource
 - Other (please specify below)
-

Q5 Were you able to find the information you were seeking using the PubMed Clinical Queries? *

- Yes
 - Partially
 - No
-

Q6 How easy was it to understand how to conduct a search on the PubMed Clinical Queries page? *

- Very easy
 - Somewhat easy
 - Neither easy nor difficult
 - Somewhat difficult
 - Very difficult
-

Q7 Please describe what about conducting a search was confusing or difficult to understand.

Q8 How easy was it to understand your search results on the PubMed Clinical Queries page? *

- Very easy
- Somewhat easy
- Neither easy nor difficult
- Somewhat difficult
- Very difficult

Q9 Please describe what about the search results was confusing or difficult to understand.

Q10 Why did you use the COVID-19 Clinical Query search rather than the main PubMed search for your research? (Select all that apply.)

- I wanted to refine my search with the built-in Clinical Queries search filters
- A colleague, librarian, physician or someone else suggested it
- I wanted to see if/how the results differed between the Clinical Queries and the main search
- I didn't realize there was a difference between the Clinical Queries and the main search
- Other (please specify below) _____

Q11 Do you have any comments on how we can improve PubMed Clinical Queries?

Q12 On a scale from 0-10, how likely are you to recommend PubMed Clinical Queries to a friend, family member, or colleague? (0 being Not at all Likely | 10 being Extremely likely) *

- 0
 - 1
 - 2
 - 3
 - 4
 - 5
 - 6
 - 7
 - 8
 - 9
 - 10
-

Q13 Have you the used NCBI's LitCOVID resource?
(<https://www.ncbi.nlm.nih.gov/research/coronavirus/>)

- Yes
 - No
-

Q14 Are there other resources you have used for your COVID-19 research, and what did you like about them?
