

Instrument 2 -- Public Housing Agency Survey

Addressing the Housing Needs of Youth Who Age Out of Foster Care

(PHA)

A team of researchers from the Urban Institute and Chapin Hall at the University of Chicago is working with the U.S. Department of Health and Human Services, Administration for Children and Families (ACF), in cooperation with the U.S. Department of Housing and Urban Development (HUD), to learn how communities are using the Family Unification Program (FUP) to serve youth who were in foster care. We are not evaluating your agency or its programs. This information will be used to inform efforts by ACF and the US Department of Housing and Urban Development (HUD) to improve the administration of the FUP program. Participation in this information collection is voluntary. Responses will be kept private to the extent permitted by law.

As part of this project, the research team is conducting a web-based survey of public housing agencies (PHAs), public child welfare agencies (PCWAs), and Continuums of Care (CoCs) in communities that provide FUP vouchers to youth who had been in foster care. Your PHA was selected because you recently received a new award of FUP vouchers from HUD.

The purpose of this survey is to learn how FUP vouchers are being used to address the housing needs of youth who were in foster care and to identify any unique benefits or challenges your PHA has experienced serving this population in partnership with your local PWCA and CoC. It includes questions about your implementation of FUP, your agency's collaboration with your PCWA and CoC partners; the way FUP eligible youth are identified and referred; the application, search, and lease-up process for youth; your experiences using FUP vouchers for youth; and your perspectives on FUP-related policies and practices.

If your agency has contracted with a separate organization to operate FUP for youth, please note that some questions may be better addressed by that contractor. You may wish to ask your contractor to complete those sections (by sharing your log-in information) or provide you with the relevant information.

This survey should take about 35 minutes to complete. If you cannot complete the survey in one sitting, you may save your place in the survey and finish it at a later time. Please note, however, that the survey needs to be completed by _____.

Thank you in advance for responding to this survey. Your responses will help the Administration for Children and Families and HUD better understand how communities are using FUP vouchers to address the housing needs of youth who age out of care.

Please contact XXX, (XXX) XXX-XXXX or XXXX@urban.org, at the Urban Institute with any questions about the survey.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB number for this information collection is 0970-0XXX and the expiration date is XX/XX/XXXX.
