**Abstract:** DOI Talent is the  
 Department of the Interior’s (DOI)  
 shared services system to maintain and  
 validate training records, manage class  
 rosters and transcripts for course  
 administrators and the student or  
 learner, meet Federal mandatory  
 training and statistical reporting  
 requirements, and manage other  
 programmatic functions related to  
 training and educational programs.

DOI collects personal information  
 from students in order to communicate  
 training opportunities, manage course  
 registration and delivery, validate  
 training records necessary for  
 certification or granting of college  
 credit, process billing information for  
 training classes, and to meet Federal  
 training reporting requirements.  
 Information may also be collected to  
 comply with the Americans with  
 Disabilities Act requirements to address

facilities accommodations. Training and  
 learning records are maintained in DOI’s  
 web-based learning management  
 system, and bureau and office systems  
 and locations where training programs  
 are managed. DOI bureaus offer training  
 programs which extend to external  
 customers; such as universities, State  
 governments, local governments, not-  
 for-profit organizations, and in some  
 cases, private citizens.

Each year approximately 3,000  
 external users request to register for  
 training offered by DOI bureau’s and  
 offices through DOI Talent. Each  
 registration will require approximately 5  
 minutes. DOI Talent:

- Creates an authoritative system of record for all training completions;
- Offers a more flexible approach for external training requests and documentation;
- Creates a learning environment that encourages engagement on multiple levels;
- Enhances training delivery options; and
- Creates opportunities to offer world-class instruction and to engage directly with learners through discussion forums and communities of practice.
