Fingerprint card packages can be obtained by faxing a request to the CJIS Division at 304-625-3984. The request should include the following: entity name, point of contact, mailing address, contact's telephone number and quantity of requested bioterrorism fingerprint card packages. The fingerprint card can also be printed out from the Criminal Justice Information Services (CJIS) Division web page at [www.fbi.gov](http://www.fbi.gov). A link is located at the bottom of the resources section and is labeled Standard Fingerprint Form (FD-258).

### Completion of Fingerprint Cards

The fingerprint card packet consists of two fingerprint cards, general instructions, fingerprint instructions, and a pre-addressed return envelope. The following fields should be completed on the fingerprint cards: residence, employer and address, name, aliases, citizenship, social security number, sex, race, height, weight, eye color, hair color, date of birth and place of birth. The applicant must have the two fingerprint cards printed by a local law enforcement agency. The individual or entity must arrange for this service. In most instances, law enforcement offices will charge a fee for this service. The two fingerprint cards and completed FD-961 Form must be submitted to the FBI as one package for the security risk assessment to be completed. The FBI may request a second set of prints to process in the event that the initial two fingerprint cards are rejected from the Integrated Automated Fingerprint Identification System for image quality.

### **Section III: Certification Questions**

18 U.S.C. § 1001 states that knowingly and willfully falsifying or concealing a material fact is a felony that may result in fines or imprisonment for not more than 5 years or both.

22a – 22i: Answer all questions with a "yes", "no" or "unsure" in the boxes provided. FD-961 Forms with questions left blank will not be processed.

If the applicant is not sure how to answer any question, they should check "not sure". For any questions answered "yes" or "not sure", the applicant must provide additional information or supporting documentation to assist BRAG in processing the SRA. This information can include court documents, arresting agency information, arrest date, charges, etc. For medical documentation the applicant should contact the medical facility, sign a release and have the medical facility mail the documentation directly to BRAG.

**22a. Indictment** - Includes an indictment or information in any court, under which a crime punishable by imprisonment for a term exceeding 1 year may be prosecuted, or in military cases to any offense punishable by imprisonment for a term exceeding 1 year which has been referred to a general court-martial. An information is a formal accusation of a crime, differing from an indictment in that it is made by a prosecuting attorney and not a grand jury.

**22b. Crime punishable by imprisonment for a term exceeding 1 year** - Any Federal, State or foreign offense for which the maximum penalty, whether or not imposed, is capital punishment or imprisonment in excess of 1 year. What constitutes a conviction of such a crime shall be determined in accordance with the law of the jurisdiction in which the proceedings were held. Any conviction which has been expunged or set aside or for which a person has been pardoned shall not be considered a conviction.

**22c. Fugitive from justice** - Any person who has fled from any state to avoid prosecution for a felony or a misdemeanor; or a person who leaves the state to avoid giving testimony in any criminal proceeding; or a person who knows that misdemeanor or felony charges are pending against such an individual and who leaves the state of prosecution and does not appear before the prosecuting tribunal. Fugitives from justice do not include individuals who are charged with crimes and there is no evidence that they left the state. A person is not a fugitive from justice merely because he or she has an outstanding civil traffic citation.

**22d. Unlawful user of or addicted to any controlled substance** - A person who uses a controlled substance and has lost the power of self-control with reference to the use of controlled substance; and any person who is a current user of a controlled substance in a manner other than prescribed by a licensed physician. Such use is not limited to the use of drugs on a particular day, or within a matter of days or weeks before, but rather that the unlawful use has occurred recently enough to indicate that the individual is actively engaged in such conduct. A person may be an unlawful current user of a controlled substance even though the substance is not being used at the precise time the person seeks access to biological select agents and toxins. An inference of current use may be drawn from evidence of a recent use or possession of a controlled substance or a pattern of use or possession that reasonably covers the present time, e.g., a conviction for use or possession of a controlled substance within the past year; multiple arrests for such offenses within the past 5 years if the most recent arrest occurred within the past year; or persons found through a drug test to use a controlled substance unlawfully, provided that the test was administered within the past year. For a current or former member of the Armed Forces, an inference of current use may be drawn from recent disciplinary or other administrative action based on confirmed drug use, e.g., court-martial conviction, non-judicial punishment, or an administrative discharge based on drug use or drug rehabilitation failure.

**Controlled Substance** - A drug or other substance, or immediate precursor, as defined in section 102 of the Controlled Substances Act, 21 U.S.C. 802. The term includes, but is not limited to, marijuana, depressants, stimulants, and narcotic drugs. The term does not include distilled spirits, wine, malt beverages, or tobacco, as those terms are defined or used in Subtitle E of the Internal Revenue Code of 1954, as amended.

**NOTE: The use of any controlled substance (including marijuana) is illegal at the federal level even though it may be legalized in your state.**

**22e. Adjudicated as a mental defective** - (a) A determination by a court, board, commission, or other lawful authority that a person, as a result of marked subnormal intelligence, or mental illness, incompetency, condition or disease: (1) is a danger to himself or to others; or (2) lacks the mental capacity to contract or manage his own affairs. (b) The term shall include (1) a finding of insanity by a court in a criminal case; and (2) those persons found incompetent to stand trial or found not guilty by reason of lack of mental responsibility pursuant to articles 50a and 72b of the Uniform Code of Military Justice, 10 U.S.C. 850a, 876b.

**Committed to a mental institution** - A formal commitment of a person to a mental institution by a court, board, commission, or other lawful authority. The term includes a commitment to a mental institution involuntarily. The term includes commitment for mental defectiveness or mental illness. It also includes commitments for other reasons, such as for drug use. The term does not include a person in a mental institution for observation or a voluntary admission to a mental institution.

**Mental institution** - Includes mental health facilities, mental hospitals, sanitariums, psychiatric facilities, and other facilities that provide diagnoses by licensed professionals of mental retardation or mental illness, including a psychiatric ward in a general hospital.

**22f. Alien** - Any person not a citizen or national of the United States.

**Alien illegally or unlawfully in the United States** - Aliens who are unlawfully in the United States are not in valid immigrant, nonimmigrant or parole status. The term includes any alien (a) who unlawfully entered the United States without inspection and authorization by an immigration officer and who has not been paroled into the United States under section 212(d)(5) of the Immigration and Nationality Act (INA); (b) who is a nonimmigrant and whose authorized period of stay has expired or who has violated the terms of the nonimmigrant category in which he or she was admitted; (c) paroled under INA section 212(d)(5) whose authorized period of parole has expired or whose parole status has been terminated; or (d) under an order of deportation, exclusion, or removal, or under an order to depart the United States voluntarily, whether or not he or she has left the United States.

**22g.** - (i) An alien (other than an alien lawfully admitted for permanent residence) who is a national of a country as to which the Secretary of State has made a determination that such country has repeatedly provided support for acts of international terrorism or, (ii) any individual (regardless of nationality) that acts for or on behalf of, or operates subject to the direction or control of, a government or official of the countries listed below.

State Sponsor of Terrorism	Designated Date
Syria	12-29-1979
Iran	01-19-1984
Sudan	08-12-1993
Democratic People's Republic of Korea (North Korea)	11-20-2017

**22h. Discharged under dishonorable conditions** - Separation from the U.S. Armed Forces resulting from a dishonorable discharge or dismissal adjudged by a general court-martial. The term does not include any separation from the Armed Forces resulting from any other discharge, e.g. a bad conduct discharge.

**22i. Terrorist organization** - An organization (i) designated by the Secretary of State as a foreign terrorist organization (ii) otherwise designated by the Secretary of State in consultation with or upon the request of the Attorney General or the Secretary of Homeland Security as a terrorist organization; or (iii) that is a group of two or more individuals, whether organized or not, which engages in, or has a subgroup which engages in terrorist activity [as defined in 8 U.S.C. 1182 (a)(3)(B)]

**Section VI: Privacy Act Statement****Authority:**

Collection of this information is authorized under Public Law 107-188; 18 U.S.C. § 175b; 28 U.S.C. § 534; 42 U.S.C. § 262a; 7 CFR Part 331; 9 CFR Part 121; 42 CFR Part 73.

**Principal Purpose:**

The information collected on this form will be used for the principal purpose of conducting a security risk assessment to determine if you may possess, receive, access, use and/or transfer select agents and toxins. As part of this assessment, the collected information may also be used to assist in determining approval, denial, revocation or renewal of a certificate of registration issued by Department of Health and Human Services (HHS) or U.S. Department of Agriculture (USDA) for possession, use and transfer of select agents and toxins.

The FBI's acquisition, preservation, and exchange of identification records (including fingerprints and photographs) are generally authorized under 28 U.S.C. 534. Providing your biographic information and associated biometrics (e.g. fingerprints, photograph) is voluntary; however: failure to do so may affect completion or approval of your application. During the application process and for as long as you remain in the Select Agent Program, the FBI will use the information you provide to search criminal, immigration, national security and other relevant electronic databases.

**Routine Uses:**

During the processing of this application and for as long thereafter as your biographic and biometric information is retained, your information may be disclosed pursuant to your consent, and may be disclosed without your consent as permitted by the Privacy Act of 1974 and all applicable Routine Uses as may be published at any time in the Federal Register, including the Routine Uses for the NGI system, the FBI's Central Records System, and the FBI's Blanket Routine Uses. Routine uses include, but are not limited to, disclosures to: local, state, tribal, or federal law enforcement agencies; criminal justice agencies; and agencies responsible for national security or public safety.

**Social Security Account Number:**

Your Social Security Account Number (SSAN) is requested under Public Law 107-188, 7 CFR Part 331, 9 CFR Part 121 and 42 CFR Part 73, which authorize the Attorney General to collect names and other identifying information in the security risk assessment process and to check criminal, immigration, national security and other electronic databases. Because other people may have the same name and birth date, your SSAN will be used to facilitate accurate identification and to help eliminate the possibility of misidentification of individuals for whom a security risk assessment or database check is being conducted. Failure to provide the requested information may delay or result in the denial of your security risk assessment.

**PAPERWORK REDUCTION ACT NOTICE**

The information required on this form is in accordance with the Paper Work Reduction Act of 1995. The purpose of this information is to assist the FBI in national security risk assessments for entities and individuals having access to selected toxins as required by the Public Health Security and Bioterrorism Preparedness Response Act of 2002. The completion of this form is mandatory in order to obtain approval for access to select agents and toxins. The average burden cost per person to complete the form is estimated to be \$15.44 with the average burden hours per person estimated to be 1.5 hours.
