Instructions (See 27 C.F.R. Part 479)

1. Any person desiring to permanently export a firearm without payment of the transfer tax must submit ATF Form 9 (5320.9) to the Director, Bureau of Alcohol, Tobacco, Firearms and Explosives, ATF National Service Center, NFA Division, 244 Needy Road, Martinsburg, WV 25405, for a permit providing for deferment of the transfer tax. No shipment may be made until that permit is received from the Director.
 - a. ATF Form 9 (5320.9) must not be submitted until a license for the exportation, if any, has been issued by the Department of State or Commerce. If no license is needed, please attach a statement to that effect.
 - b. Part 1 of ATF Form 9 (5320.9) must be completed by the applicant and submitted to ATF along with a certified copy of a written order, contract of sale, or other evidence showing the firearm is to be shipped to a foreign destination. The exporter's written certification attesting to that fact must appear on the documentation. If the applicant wishes to transfer the firearm tax free to another person who will export the firearm, the applicant must submit ATF Form 9 (5320.9) with documentation that the transfer is a part of the exportation process.
 - c. ATF Form 9 (5320.9) must be completed by typewriter or pen and ink. Pencil entries are unacceptable. The signature in item 10 must be entered in ink on all four copies. Photostatic, facsimile or carbon copy signatures are unacceptable. ATF Form 9 (5320.9) is available in a fillable format on the ATF website (www.atf.gov) and may be downloaded and printed from that website. ATF Form 9 (5320.9) may also be filed electronically via ATF's eForms system (www.atfonline.gov) by a person who registers and is qualified to do so.
 - d. Applications approved by ATF will serve as the permit to export the firearm(s) described on the application.
 - e. In the event exportation is not effected, all copies of the form must be immediately returned to ATF for cancellation (27 C.F.R. § 479.116).
2. When the firearm is to be exported by other than parcel post, two copies each of the permit, the Shipper's Export Declaration (*Commerce Form 7525-V*), and a copy of the State or Commerce Department license, must be submitted to the District Director of U.S. Customs and Border Patrol (*CBP*) at the port of exportation. These documents must precede or accompany the shipment in order to permit appropriate inspection prior to lading. The CBP official, after execution of Part 3, will retain one copy of the permit and return one copy to the Director, Bureau of Alcohol, Tobacco, Firearms and Explosives, ATF National Services Center, NFA Division, 244 Needy Road, Martinsburg, WV 25405, as provided in Customs Manual Supplement No. 3284.02 dated March 12, 1979.
3. When the firearms are to be exported by parcel post, one copy of the permit must be presented to the postmaster at the office receiving the parcel. The postmaster will execute Part 4 of ATF Form 9 (5320.9) and return the permit to the exporter.
4. Proof of exportation must be furnished by the exporter to ATF within six months of the date of issuance of the permit by ATF. Satisfactory evidence of exportation include:
 - a. The certificate of exportation executed by a CBP official.
 - b. The certificate of mailing by parcel post executed by a postmaster.
 - c. A certificate of landing executed by a customs official of the foreign country to which the firearm is exported.
 - d. A sworn statement of the foreign consignee covering the receipt of the firearm.
 - e. A return receipt or photostatic copy, signed by the addressee or an authorized agent of the addressee, if the shipment of a firearm was made by insured or registered parcel post.

NOTE: ATF receipt of the required documentation that the firearm has been exported will relieve the exporter from the transfer tax liability. IF SATISFACTORY EVIDENCE IS NOT FURNISHED WITHIN THE STATED PERIOD, THE TRANSFER TAX WILL BE ASSESSED.

5. ATF Control Number box is only to be completed by ATF personnel.
6. Internal Control Number box can be completed by the person desiring to permanently export the firearm. Any pertinent control information that person wants to annotate in this box pertaining to this exportation is allowed.

Action by U.S. Customs and Border Patrol (CBP)

Upon receipt of an approved ATF Form 9 (5320.9), in duplicate, the CBP official may order such inspection as deemed necessary prior to lading of the merchandise. If satisfied that the shipment is proper and the information contained in the permit to export is in agreement with the information shown in the shipper's export declaration, the CBP official will, after the merchandise has been exported, execute Part 3 of ATF Form 9 (5320.9). One copy will be retained with the shipper's export declaration. CBP will forward the remaining copy to the Bureau of Alcohol, Tobacco, Firearms and Explosives, ATF National Services Center, NFA Division, 244 Needy Road, Martinsburg, WV 25405.
