The information provided in this Quarterly Narrative Performance Report will be used to help the Department of Labor’s (DOL) Employment and Training Administration (ETA) monitor the progress of the grant and identify promising practices and challenges of the grantee in implementing the grant. The information collected here provides a more comprehensive assessment of the progress of grantees in meeting expected milestones, performance indicators, and program requirements. It also provides additional qualitative information to ETA regarding the activities of grantees as it relates to Workforce Innovation and Opportunity Act (WIOA) implementation or implementation of other discretionary grant programs, timeliness of program deliverables, technical assistance needs, innovative or promising practices in the field, and the use of evaluation for program accountability, assessment, and improvement.

Additionally, please note that, per the Uniform Guidance (2 CFR 200.328), grantees must inform ETA as soon as the following types of conditions become known and should not wait for a quarterly report deadline:

- (1) Problems, delays, or adverse conditions which will materially impair the ability to meet the objectives of the Federal award. This disclosure must include a statement of the action taken, or contemplated, and any assistance needed to resolve the situation.
- (2) Favorable developments which enable meeting time schedules and objectives sooner or at less cost than anticipated, or producing more or different beneficial results than originally planned.
