

(2) *Reasons for exemptions.* All information about individuals in these records that meet the criteria stated in 5 U.S.C. 552a(k)(5) is exempt from the requirements of 5 U.S.C. 552a (c)(3) and (d). These provisions of the Privacy Act relate to making accountings of disclosure available to the subject and access to and amendment of records. These exemptions are claimed because the system of records entitled, FEMA/SEC-1, Security Management Information System, contains investigatory material compiled solely for the purpose of determining suitability, eligibility, or qualifications for access to classified information or classified Federal contracts, but only to the extent that the disclosure would reveal the identity of a source who furnished information to the Government under an express promise or, prior to September 27, 1975, under an implied promise that the identity of the source would be held in confidence. During the litigation process and investigations, it is possible that certain records from the system of records entitled, FEMA/SEC-1, Security Management System may be necessary and relevant to the litigation or investigation and included in these systems of records. To the extent that this occurs, the Director, FEMA, has determined that the records would also be exempted from subsections (c)(3) and (d) pursuant to 5 U.S.C. 552a(k)(5) to protect such records. A determination will be made at the time of the request for a record concerning whether specific information would reveal the identity of a source. This exemption is required in order to protect the confidentiality of the sources of information compiled for the purpose of determining access to classified information. This confidentiality helps maintain the Government's continued access to information from persons who would otherwise refuse to give it.

The purpose of this regulation is to effectuate the provisions of title VI of the Civil Rights Act of 1964 (hereafter referred to as the "Act") to the end that no person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity receiving Federal financial assistance from the Federal Emergency Management Agency.

§ 7.2 Definitions.

As used in this regulation:

(a) The term *responsible agency official* with respect to any program receiving Federal financial assistance means the Director of the Federal Emergency Management Agency or other official of the agency who by law or by delega-

tion has the principal responsibility within the agency for the administration of the law extending such assistance.

(b) The term *United States* means the States of the United States, the District of Columbia, Puerto Rico, the Virgin Islands, American Samoa, Guam, Wake Island, the Canal Zone, and the territories and possessions of the United States, and the term *State* means any one of the foregoing.

(c) The term *Federal financial assistance* includes (1) grants and loans of Federal funds, (2) the grant or donation of Federal property and interests in property, (3) the detail of Federal personnel, (4) the sale and lease of, and the permission to use (on other than a casual or transient basis), Federal property or any interest in such property without consideration or at a nominal consideration, or at a consideration which is reduced for the purpose of assisting the recipient, or in recognition of the public interest to be served by such sale or lease to the recipient, and (5) any Federal agreement, arrangement, or other contract which has as one of its purposes the provision of assistance.

(d) The term *program* includes any program, project, or activity for the provision of services, financial aid, or other benefits to individuals (including education or training, health, welfare, rehabilitation, housing, or other services, whether provided through employees of the recipient of Federal financial assistance or provided by others through contracts or other arrangements with the recipient, and including work opportunities and cash or loan or other assistance to individuals), or for the provision of facilities for furnishing services, financial aid or other benefits to individuals. The services, financial aid, or other benefits provided under a program receiving Federal financial assistance shall be deemed to include any services, financial aid, or other benefits provided with the aid of Federal financial assistance or with the aid of any non-Federal funds, property, or other resources required to be expended or made available for the program to meet matching requirements or other conditions which must be met

§7.3

in order to receive the Federal financial assistance, and to include any services, financial aid, or other benefits provided in or through a facility provided with the aid of Federal financial assistance or such non-Federal resources.

L. 81-875; 42 U.S.C. 1855-1855g), or under the "Interim Emergency Management of Resources" program (section 103 of the National Security Act of 1947; Pub. L. 80-253, as amended; 50 U.S.C. 404).

This regulation does not apply to (a) any Federal financial assistance by way of insurance or guaranty contracts, (b) money paid, property transferred, or other assistance extended under any such program before the effective date of this regulation, (c) any assistance to any individual who is the ultimate beneficiary under any such program, or (d) any employment practice, under such program, of any employer, employment agency, or labor organization.

§7.5 Specific discriminatory actions prohibited.

(a) A recipient under any program to which this regulation applies may not, directly or through contractual or other arrangements, on ground of race, color, or national origin:

(1) Deny any individual any service, financial aid, or other benefit provided under the program;

(2) Provide any service, financial aid, or other benefit to an individual which is different, or is provided in a different manner, from that provided to others under the program;

(3) Subject an individual to segregation or separate treatment in any matter related to his receipt of any service, financial aid, or other benefit under the program;

(4) Restrict an individual in any way in the enjoyment of any advantage or privilege enjoyed by others receiving any service, financial aid, or other benefit under the program;

(5) Treat an individual differently from others in determining whether he satisfies any admission, enrollment, quota, eligibility, membership or other requirement or condition which individuals must meet in order to be provided any service, financial aid, or other benefit provided under the program;

(6) Deny an individual an opportunity to participate in the program through the provision of services or otherwise or afford him an opportunity to do so which is different from that afforded others under the program.

(b) A recipient, in determining the types of services, financial aid, or other benefits, or facilities which will be provided under any such program, or the class of individuals to whom, or the situations in which, such services, financial aid, other benefits, or facilities will be provided under any such program, or the class of individuals to be afforded an opportunity to participate in any such program, may not, directly or through contractual or other arrangements, utilize criteria or methods of administration which have the effect of subjecting individuals to discrimination because of their race, color, or national origin, or have the effect of defeating or substantially impairing accomplishment of the objectives of the program as respect individuals of a particular race, color, or national origin.

(c) As used in this section the services, financial aid, or other benefits provided under a program receiving Federal financial assistance shall be deemed to include any service, financial aid, or other benefit provided in or through a facility provided with the aid of Federal financial assistance.

(d) The enumeration of specific forms of prohibited discrimination in this section does not limit the generality of the prohibition in section 4.

§ 7.6 Life, health, and safety.

Notwithstanding the provisions of section 5, a recipient of Federal financial assistance shall not be deemed to have failed to comply with section 3, if immediate provision of a service or other benefit to an individual is necessary to prevent his death or serious impairment of his health or safety.

§ 7.7 Assurances required.

Every application for Federal financial assistance to carry out a program to which this regulation applies, and every application for Federal financial assistance to provide a facility shall, as a condition to its approval and the extension of any Federal financial assistance pursuant to the application, contain or be accompanied by an assurance that the program will be conducted or the facility operated in compliance with all requirements imposed by or pursuant to this regulation. In the case of an application for Federal financial assistance to provide real property or structures thereon, the assurance shall obligate the recipient, or, in the case of a subsequent transfer, the transferee, for the period during which the real property or structures are used for a purpose for which the Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. In the case of personal property the assurance shall obligate the recipient for the period during which he retains ownership or possession of the property. In all other cases the assurance shall obligate the recipient for the period during which Federal financial assistance is extended pursuant to the application. The responsible agency official shall specify the form of the foregoing assurances for each program, and the extent to which like assurances will be required of subgrantee, contractors and subcontractors, transferees, successors in interest, and other participants in the program. Any such assurance shall include provisions which give the United States a right to seek its judicial enforcement.

§ 7.8 Elementary and secondary schools.

The requirements of section 7 with respect to any elementary or secondary school or school system shall be deemed to be satisfied if such school or school system (a) is subject to a final order of a court of the United States for the desegregation of such school or school system, and provides an assurance that it will comply with such order, including any future modification of such order, or (b) submits a plan for the desegregation of such school or

§ 7.9

school system which the United States Commissioner of Education determines is adequate to accomplish the purpose of the Act and this regulation, and provides reasonable assurance that it will carry out such plans; in any case of continuing Federal financial assistance the responsible agency official may reserve the right to redetermine, after such period as may be specified by him, the adequacy of the plan to accomplish the purposes of the Act and this regulation. In any case to which a final order of a court of the United States for the desegregation of such school or school system is entered after submission of such a plan, such plan shall be revised to conform to such final order, including any future modification of such order.

§ 7.9 Assurances from institutions.

(a) In the case of any application for Federal financial assistance to an institution of higher education, the assurance required by section 7 shall extend to admission practices and to all other practices relating to the treatment of students.

(b) The assurances required with respect to an institution of higher education, hospital, or any other institution, insofar as the assurance relates to the institution's practices with respect to admission or other treatment of individuals as students, patients, or clients of the institutions or to the opportunity to participate in the provision of services or other benefits to such individuals, shall be applicable to the entire institution unless the applicant establishes, to the satisfaction of the Director of the Federal Emergency Management Agency that the institution's practices in designated parts or programs of the institution will in no way affect its practices in the program of the institution for which Federal financial assistance is sought, or the beneficiaries of or participants in such program. If in any such case the assistance sought is for the construction of a facility or part of a facility, the assurance shall in any event extend to the entire facility and to facilities operated in connection therewith.

44 CFR Ch. I (10-1-00 Edition)

§ 7.10 Compliance information.

(a) *Cooperation and assistance.* The responsible official in the Federal Emergency Management Agency shall to the fullest extent practicable seek the cooperation of recipients in obtaining compliance with this regulation and shall provide assistance and guidance to recipients to help them comply voluntarily with this regulation.

(b) *Compliance reports.* Each recipient shall keep such records and submit to the responsible agency official or his designee timely, complete, and accurate compliance reports at such times, and in such form and containing such information, as the responsible agency official or his designee may determine to be necessary to enable him to ascertain whether the recipient has complied or is complying with this regulation. In the case of any program under which a primary recipient extends Federal financial assistance to any other recipient, such other recipient shall also submit such compliance reports to the primary recipient as may be necessary to enable the primary recipient to carry out its obligations under this regulation.

(c) *Access to sources of information.* Each recipient shall permit access by the responsible agency official or his designee during normal business hours to such of its books, records, accounts, and other sources of information, and its facilities as may be pertinent to ascertain compliance with this regulation. Where any information required of a recipient is in the exclusive possession of any other agency, institution or person and this agency, institution or person shall fail or refuse to furnish this information, the recipient shall so certify in its report and shall set forth what efforts it has made to obtain the information.

(d) *Information to beneficiaries and participants.* Each recipient shall make available to participants, beneficiaries, and other interested persons such information regarding the provisions of this regulation and its applicability to the program under which the recipient receives Federal financial assistance, and make such information available to them in such manner, as the responsible agency official finds necessary to apprise such persons of the protection

against discrimination assured them by the Act and this regulation.

§ 7.11 Conduct of investigations.

(a) *Periodic compliance reviews.* The responsible agency official or his designee shall from time to time review the practices of recipients to determine whether they are complying with this regulation.

(b) *Complaints.* Any person who believes himself or any specific class of individuals to be subjected to discrimination prohibited by this regulation may by himself or by a representative file a written complaint with the National Headquarters or any Regional Office of the Federal Emergency Management Agency. A complaint must be filed not later than 180 days from the date of the alleged discrimination, unless the time for filing is extended by the responsible agency official or his designee.

(c) *Investigations.* The responsible agency official or his designee will make a prompt investigation whenever a compliance review, report, complaint, or any other information indicates a possible failure to comply with this regulation. The investigation should include, where appropriate, a review of the pertinent practices and policies of the recipient, the circumstances under which the possible noncompliance with this regulation occurred, and other factors relevant to a determination as to whether the recipient has failed to comply with this regulation.

(d) *Resolution of matters.* (1) If an investigation pursuant to paragraph (c) of this section indicates a failure to comply with this regulation, the responsible agency official or his designee will so inform the recipient and the matter will be resolved by informal means whenever possible. If it has been determined that the matter cannot be resolved by informal means, action will be taken as provided for in section 12.

(2) If an investigation does not warrant action pursuant to paragraph (d)(1) of this section the responsible agency official or his designee will so inform the recipient and the complainant, if any, in writing.

(e) *Intimidatory or retaliatory acts prohibited.* No recipient or other person

shall intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by section 601 of the Act or this regulation, or because he has made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this regulation. The identity of complainants shall be kept confidential except to the extent necessary to carry out the purposes of this regulation, including the conduct of any investigation, hearing, or judicial proceeding arising thereunder.

§ 7.12 Procedure for effecting compliance.

(a) *General.* If there appears to be a failure or threatened failure to comply with this regulation, and if the noncompliance or threatened noncompliance cannot be corrected by informal means, compliance with this regulation may be effected by the suspension or termination of or refusal to grant or to continue Federal financial assistance or by any other means authorized by law. Such other means may include, but are not limited to, (1) a reference to the Department of Justice with a recommendation that appropriate proceedings be brought to enforce any rights of the United States under any law of the United States (including other titles of the Act), or any assurance or other contractual undertaking, and (2) any applicable proceeding under state or local law.

(b) *Noncompliance with section 7.* If an applicant fails or refuses to furnish an assurance required under section 7 or otherwise fails or refuses to comply with a requirement imposed by or pursuant to that section Federal financial assistance may be refused in accordance with the procedures of paragraph (c) of this section. The agency shall not be required to provide assistance in such a case during the pendency of the administrative proceedings under such paragraph except that the agency shall continue assistance during the pendency of such proceedings where such

§7.13

assistance is due and payable pursuant to an application thereof approved prior to the effective date of this regulation.

(c) *Termination of or refusal to grant or to continue Federal financial assistance.* No order suspending, terminating or refusing to grant or continue Federal financial assistance shall become effective until (1) the responsible agency official has advised the applicant or recipient of his failure to comply and has determined that compliance cannot be secured by voluntary means, (2) there has been an express finding on the record, after opportunity for hearing, of a failure by the applicant or recipient to comply with a requirement imposed by or pursuant to this regulation, (3) the action has been approved by the Director of the Federal Emergency Management Agency pursuant to section 14, and (4) the expiration of 30 days after the Director has filed with the committee of the House and the committee of the Senate having legislative jurisdiction over the program involved, a full written report of the circumstances and the grounds for such action. Any action to suspend or terminate or to refuse to grant or to continue Federal financial assistance shall be limited to the particular political entity, or part thereof, or other applicant or recipient as to whom such a finding has been made and shall be limited in its effect to the particular program, or part thereof, in which such noncompliance has been so found.

(d) *Other means authorized by law.* No action to effect compliance by any other means authorized by law shall be taken until (1) the responsible agency official has determined that compliance cannot be secured by voluntary means, (2) the action has been approved by the Director of the Federal Emergency Management Agency, (3) the recipient or other person has been notified of its failure to comply and of the action to be taken to effect compliance, and (4) the expiration of at least 10 days from the mailing of such notice to the recipient or other person. During this period of at least 10 days additional efforts shall be made to persuade the recipient or other person to comply with the regulation and to take such

44 CFR Ch. I (10–1–00 Edition)

corrective action as may be appropriate.

§7.13 Hearings.

(a) *Opportunity for hearing.* Whenever an opportunity for a hearing is required by section 12(c), reasonable notice shall be given by registered or certified mail, return receipt requested, to the affected applicant or recipient. This notice shall advise the applicant or recipient of the action proposed to be taken, the specific provision under which the proposed action against it is to be taken, and the matters of fact or law asserted as the basis for this action, and either (1) fix a date not less than 20 days after the date of such notice within which the applicant or recipient may request of the responsible agency official that the matter be scheduled for hearing or (2) advise the applicant or recipient that the matter in question has been set down for hearing at a stated place and time. The time and place so fixed shall be reasonable and shall be subject to change for cause. The complainant, if any, shall be advised of the time and place of the hearing. An applicant or recipient may waive a hearing and submit written information and argument for the record. The failure of an applicant or recipient to request a hearing under this subsection or to appear at a hearing for which a date has been set shall be deemed to be a waiver of the right to a hearing under section 602 of the Act and section 12(c) of this regulation and consent to the making of a decision on the basis of such information as is available.

(b) *Time and place of hearing.* Hearings shall be held at the National Headquarters of the Federal Emergency Management Agency in Washington, DC, at a time fixed by the responsible agency official unless he determines that the convenience of the applicant or recipient or of the agency requires that another place be selected. Hearings shall be held before the responsible agency official or, at his discretion, before a hearing examiner designated in accordance with section 11 of the Administrative Procedure Act.

Federal Emergency Management Agency

§ 7.14

(c) *Right to counsel.* In all proceedings under this section, the applicant or recipient and the agency shall have the right to be represented by counsel.

(d) *Procedures, evidence, and record.* (1) The hearing, decision, and any administrative review thereof shall be conducted in conformity with sections 5-8 of the Administrative Procedure Act, and in accordance with such rules of procedure as are proper (and not inconsistent with this section) relating to the conduct of the hearing, giving of notices subsequent to those provided for in paragraph (a) of this section, taking of testimony, exhibits, arguments and briefs, requests for findings, and other related matters. Both the agency and the applicant or recipient shall be entitled to introduce all relevant evidence on the issues as stated in the notice for hearing or as determined by the officer conducting the hearing at the outset of or during the hearing.

(2) Technical rules of evidence shall not apply to hearings conducted pursuant to this regulation, but rules or principles designed to assure production of the most credible evidence available and to subject testimony to test by cross-examination shall be applied where reasonably necessary by the officer conducting the hearing. The hearing officer may exclude irrelevant, immaterial, or unduly repetitious evidence. All documents and other evidence offered or taken for the record shall be open to examination by the parties and opportunity shall be given to refute facts and arguments advanced on either side of the issues. A transcript shall be made of the oral evidence except to the extent the substance thereof is stipulated for the record. All decisions shall be based upon the hearing record and written findings shall be made.

(e) *Consolidated or joint hearings.* In cases in which the same or related facts are asserted to constitute non-compliance with this regulation with respect to two or more programs to which this regulation applies, or non-compliance with this regulation and the regulations of one or more other Federal departments or agencies issued under title VI of the Act, the Director of the Federal Emergency Management

Agency may, by agreement with such other departments or agencies where applicable, provide for the conduct of consolidated or joint hearings, and for the application to such hearings of rules of procedures not inconsistent with this regulation. Final decisions in such cases, insofar as this regulation is concerned, shall be made in accordance with section 14.

§ 7.14 Decisions and notices.

(a) *Decision by person other than the responsible agency official.* If the hearing is held by a hearing examiner such hearing examiner shall either make an initial decision, if so authorized, or certify the entire record including his recommended findings and proposed decision to the responsible agency official for a final decision, and a copy of such initial decision or certification shall be mailed to the applicant or recipient. Where the initial decision is made by the hearing examiner the applicant or recipient may within 30 days of the mailing of such notice of initial decision file with the responsible agency official his exceptions to the initial decision, with his reasons therefor. In the absence of exceptions, the responsible agency official may on his own motion within 45 days after the initial decision serve on the applicant or recipient a notice that he will review the decision. Upon the filing of such exceptions or of such notice of review the responsible agency official shall review the initial decision and issue his own decision thereon including the reasons therefor. In the absence of either exceptions or a notice of review the initial decision shall constitute the final decision of the responsible agency official.

(b) *Decisions on record or review by the responsible agency official.* Whenever a record is certified to the responsible agency official for decision or he reviews the decision of a hearing examiner pursuant to paragraph (a) of this section, or whenever he conducts the hearing, the applicant or recipient shall be given reasonable opportunity to file with him briefs or other written statements of its contentions, and a copy of his final decision shall be given in writing to the applicant or recipient and to the complainant, if any.

(c) *Decisions on record where a hearing is waived.* Whenever a hearing is waived pursuant to section 13(a) a decision shall be made by the responsible agency official on the record and a copy of such decision shall be given in writing to the applicant or recipient, and to the complainant, if any.

(d) *Rulings required.* Each decision of a hearing officer or responsible agency official shall set forth his ruling on each finding, conclusion, or exception presented, and shall identify the requirement or requirements imposed by or pursuant to this regulation with which it is found that the applicant or recipient has failed to comply.

(e) *Approval by Director.* Any final decision of a responsible agency official (other than the Director of the agency) which provides for the suspension or termination of, or the refusal to grant or continue Federal financial assistance, or the imposition of any other sanction available under this regulation or the Act, shall promptly be transmitted to the Director of the Federal Emergency Management Agency who may approve such decision, may vacate it, or remit or mitigate any sanction imposed.

(f) *Content of orders.* The final decision may provide for suspension or termination of, or refusal to grant or continue Federal financial assistance, in whole or in part, under the program involved, and may contain such terms, conditions, and other provisions as are consistent with and will effectuate the purposes of the Act and this regulation, including provisions designed to assure that no Federal financial assistance will thereafter be extended under such program to the applicant or recipient determined by such decision to be in default in its performance of an assurance given by it pursuant to this regulation, or to have otherwise failed to comply with this regulation, unless and until it corrects its noncompliance and satisfies the Director of the Federal Emergency Management Agency that it will fully comply with this regulation.

§7.15 Judicial review.

Action taken pursuant to section 602 of the Act is subject to judicial review as provided in section 603 of the Act.

§7.16 Effect on other regulations; forms and instructions.

(a) *Effect on other regulations.* All regulations, orders, or like directions heretofore issued by any officer of the Federal Emergency Management Agency which impose requirements designed to prohibit any discrimination against individuals on the ground of race, color, or national origin under any program to which this regulation applies, and which authorize the suspension or termination of or refusal to grant or to continue Federal financial assistance to any applicant for or recipient of such assistance under such program for failure to comply with such requirements, are hereby superseded to the extent that such discrimination is prohibited by this regulation, except that nothing in this regulation shall be deemed to relieve any person of any obligation assumed or imposed under any such superseded regulation, order, instruction, or like direction prior to the effective date of this regulation. Nothing in this regulation, however, shall be deemed to supersede Executive Orders 10925 and 11114 (including future amendments thereof) and regulations issued thereunder, or any other regulations or instructions, insofar as such regulations or instructions prohibit discrimination on the ground of race, color, or national origin in any program or situation to which this regulation is inapplicable, or prohibit discrimination on any other ground.

(b) *Forms and instructions.* Each responsible agency official shall issue and promptly make available to interested persons forms and detailed instructions and procedures for effectuating this regulation as applied to programs to which this regulation applies and for which he is responsible.

(c) *Supervision and coordination.* The Director of the Federal Emergency Management Agency may from time to time assign to officials of other departments or agencies of the Government with the consent of such departments or agencies, responsibilities in connection with the effectuation of the purposes of title VI of the Act and this regulation (other than responsibility for final decision as provided in section

14), including the achievement of effective coordination and maximum uniformity within the agency and within the Executive Branch of the Government in the application of title VI and this regulation to similar programs and in similar situations.

Subpart E—Nondiscrimination on the Basis of Age in FEMA Program Activities Receiving Federal Financial Assistance

AUTHORITY: Age Discrimination Act of 1975, as amended, 42 U.S.C. 26101 *et seq.* (45 CFR part 90).

SOURCE: 55 FR 23078, June 6, 1990, unless otherwise noted.

GENERAL

§7.910 What is the purpose of the Age Discrimination Act of 1975?

The Age Discrimination Act of 1975 (the “Act”), as amended, is designed to prohibit discrimination on the basis of age in programs or activities receiving Federal financial assistance. The Act also permits federally-assisted programs and activities, and recipients of Federal funds, to continue to use certain age distinctions and factors other than age which meet the requirements of the Act and this regulation.

§7.911 What is the purpose of FEMA’s age discrimination regulation?

The purpose of this regulation is to set out FEMA’s policies and procedures under the Age Discrimination Act of 1975 and the general governmentwide regulations, 45 CFR part 90. The Act and the general regulations prohibit discrimination on the basis of age in programs or activities receiving Federal financial assistance. The Act and the general regulations permit federally-assisted programs, activities, and recipients of Federal funds, to continue to use age distinctions and factors other than age which meet the requirements of the Act and its implementing regulations.

§7.912 To what programs does this regulation apply?

(a) The Act and this regulation apply to each FEMA recipient and to each program or activity operated by the recipient which receives or benefits from Federal financial assistance provided by FEMA.

(b) The Act and this regulation do not apply to:

(1) An age distinction contained in that part of a Federal, State or local statute or ordinance adopted by an elected, general purpose legislative body which:

STANDARDS FOR DETERMINING AGE DISCRIMINATION

§ 7.920 Rules against discrimination.

The rules stated in this section are limited by the exceptions contained in §§ 7.921 and 7.922 of these regulations.

(a) *General rule:* No person in the United States shall, on the basis of age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity receiving Federal financial assistance.

(b) *Specific rules:* A recipient may not, in any program or activity receiving Federal financial assistance, directly or through contractual licensing, or other arrangements, use age distinctions or take any other actions which have the effect, on the basis of age, of:

(1) Excluding individuals from, denying them the benefits of, subjecting them to discrimination under, a program or activity receiving Federal financial assistance; or

(2) Denying or limiting individuals in their opportunity to participate in any program or activity receiving Federal financial assistance. The specific forms of age discrimination listed in paragraph (b) of this section do not necessarily constitute a complete list.

§ 7.921 Exceptions to the rules against age discrimination: Normal operation or statutory objective of any program or activity.

A recipient is permitted to take an action, otherwise prohibited by § 7.920, if the action reasonably takes into account age as a factor necessary to the normal operation of the achievement of any statutory objective of a program or activity. An action reasonably takes into account age as a factor necessary to the normal operation or the achievement of any statutory objective of a program or activity, if:

(a) Age is used as a measure or approximation of one or more other characteristics; and

(b) The other characteristic(s) must be measured or approximated in order for the normal operation of the program or activity to continue, or to achieve any statutory objective of the program or activity; and

Federal Emergency Management Agency

§ 7.932

(c) The other characteristic(s) can be reasonably measured or approximated by the use of age; and

(d) The other characteristic(s) are impractical to measure directly on an individual basis.

§ 7.922 Exceptions to the rules against age discrimination: Reasonable factors other than age.

A recipient is permitted to take an action otherwise prohibited by § 7.920 which is based on a factor other than age, even though that action may have a disproportionate effect on persons of different ages only if the factor bears a direct and substantial relationship to the normal operation of the program or activity or to the achievement of a statutory objective.

§ 7.923 Burden of proof for exceptions.

The burden of proving that an age distinction or other action falls within the exceptions outlined in §§ 7.921 and 7.922 is on the recipient of Federal financial assistance.

§ 7.924 Affirmative action by recipient.

Even in the absence of a finding of discrimination, a recipient may take affirmative action to overcome the effects of conditions that resulted in the limited participation in the recipient's program or activity on the basis of age.

§ 7.925 Special benefits for children and the elderly.

If a recipient operating a program provides special benefits to the elderly or to children, such use of age distinctions shall be presumed to be necessary to the normal operation of the program, notwithstanding the provisions of § 7.921.

§ 7.926 Age distinctions contained in FEMA regulations.

Any age distinctions contained in a rule or regulation issued by FEMA shall be presumed to be necessary to the achievement of a statutory objective of the program to which the rule or regulation applies, notwithstanding the provisions of § 7.921.

DUTIES OF FEMA RECIPIENTS

§ 7.930 General responsibilities.

Each FEMA recipient has primary responsibility to ensure that its programs and activities are in compliance with the Act and this regulation, and shall take steps to eliminate violations of the Act. A recipient also has responsibility to maintain records, provide information, and to afford FEMA access to its records to the extent FEMA finds necessary to determine whether the recipient is in compliance with the Act and this regulation.

§ 7.931 Notice to subrecipients and beneficiaries.

(a) Where a recipient passes on Federal financial assistance from FEMA to subrecipients, the recipient shall provide the subrecipients written notice of their obligations under the Act and this regulation.

(b) Each recipient shall make necessary information about the Act and this regulation available to its program beneficiaries in order to inform them about the protection against discrimination provided by the Act and this regulation.

§ 7.932 Assurance of compliance and recipient assessment of age distinctions.

(a) Each recipient of Federal financial assistance from FEMA shall sign a written assurance as specified by FEMA that it will comply with Act and this regulation.

(b) Recipient assessment of age distinctions. (1) As part of the compliance review under § 7.940 or complaint investigation under § 7.943, FEMA may require a recipient employing the equivalent of fifteen or more employees to complete written evaluation, in a manner specified by the responsible Agency official, of any age distinction imposed in its program or activity receiving Federal financial assistance from FEMA to assess the recipient's compliance with the Act.

(2) Whenever an assessment indicates a violation of the Act and the FEMA regulations, the recipient shall take corrective action.

§ 7.933

§ 7.933 Information requirement.

Each recipient shall:

(a) Keep records in a form acceptable to FEMA and containing information which FEMA determines are necessary to ascertain whether the recipient is complying with the Act and this regulation.

(b) Provide to FEMA, upon request, information and reports which FEMA determines are necessary to ascertain whether the recipient is complying with the Act and this regulation.

(c) Permit FEMA reasonable access to the books, records, accounts, and other recipient facilities and sources of information to the extent FEMA determines is necessary to ascertain whether the recipient is complying with the Act and this regulation.

INVESTIGATION, CONCILIATION, AND ENFORCEMENT PROCEDURES

§ 7.940 Compliance reviews.

(a) FEMA may conduct compliance reviews and preaward reviews or use other similar procedures that will permit it to investigate and correct violations of the Act and this regulation. FEMA may conduct these reviews even in the absence of a complaint against a recipient. The reviews may be as comprehensive as necessary to determine whether a violation of the Act and this regulation has occurred.

(b) If a compliance review or preaward review indicates a violation of the Act or this regulation, FEMA will attempt to achieve voluntary compliance with the Act. If voluntary compliance cannot be achieved, FEMA will arrange for enforcement as described in § 7.945.

§ 7.941 Complaints.

(a) Any person, individually or as a member of a class or on behalf of others, may file a complaint with FEMA, alleging discrimination prohibited by the Act or these regulations occurring after the date of final adoption of this rule. A complainant shall file a complaint within 180 days from the date the complainant first had knowledge of the alleged act of discrimination. However, for good cause showing, FEMA may extend this time limit.

(b) FEMA will consider the date a complaint is filed to be the date upon which the complaint is sufficient to be processed. A complaint is deemed “sufficient” when it contains particulars (e.g., names, addresses, and telephone numbers of parties involved; date(s) of alleged discrimination; kind(s) of alleged discrimination) upon which to begin an investigation.

(c) FEMA will attempt to facilitate the filing of complaints wherever possible, including taking the following measures:

(1) Accepting as a sufficient complaint any written statement which identifies the parties involved and the date the complainant first had knowledge of the alleged violation, describes generally the action or practice complained of, and is signed by the complainant.

(2) Freely permitting a complainant to add information to the complaint to meet the requirements of a sufficient complaint.

(3) Notifying the complainant and the recipient of their rights and obligations under the complaint procedure, including the right to have a representative at all stages of the complaint procedure.

(4) Notifying the complainant and the recipient (or their representatives) of their right to contact FEMA for information and assistance regarding the complaint resolution process.

(d) FEMA will return to the complainant any complaint outside the jurisdiction of this regulation, and will state the reason(s) why it is outside the jurisdiction of this regulation.

§ 7.942 Mediation.

(a) FEMA will promptly refer to a mediation agency designated by the Director all sufficient complaints that:

(1) Fall within the jurisdiction of the Act and this regulation, unless the age distinction complained of is clearly within an exception; and,

(2) Contain all information necessary for further processing.

(b) Both the complainant and the recipient shall participate in the mediation process to the extent necessary to reach an agreement or for the mediator to make an informed judgment that an agreement is not possible.

Federal Emergency Management Agency

§ 7.945

(c) If the complainant and the recipient reach an agreement, the mediator shall prepare a written statement of the agreement and have the complainant and the recipient sign it. The mediator shall send a copy of the agreement to FEMA. FEMA will take no further action on the complaint unless the complainant or the recipient fails to comply with the agreement.

(d) The mediator shall protect the confidentiality of all information obtained in the course of the mediation process. No mediator shall testify in any adjudicative proceeding, produce any document, or otherwise disclose any information obtained in the course of the mediation process without prior approval of the head of the mediation agency.

(e) The mediation will proceed for a maximum of 60 days after a complaint is filed with FEMA. Mediation ends if:

(1) Sixty days elapse from the time the complaint is filed; or

(2) Prior to the end of that 60 day period, an agreement is reached; or

(3) Prior to the end of that 60 day period, the mediator determines that an agreement cannot be reached. This 60 day period may be extended by the mediator, with the concurrence of FEMA, for not more than 30 days if the mediator determines agreement will likely be reached during such extended period.

(f) The mediator shall return unresolved complaints to FEMA.

§ 7.943 Investigation.

(a) *Informal investigation.* (1) FEMA will investigate complaints that are unresolved after mediation or are reopened because of a violation of a mediation agreement.

(2) As part of the initial investigation, FEMA will use informal fact finding methods, including joint or separate discussion with the complainant and recipient, to establish the facts and, if possible, settle the complaint on terms that are mutually agreeable to the parties. FEMA may seek the assistance of any involved state program agency.

(3) FEMA will put any agreement in writing and have it signed by the parties and an authorized official at FEMA.

(4) The settlement shall not affect the operation of any other enforcement effort of FEMA, including compliance reviews and investigation of other complaints which may involve the recipient.

(5) The settlement is not a finding of discrimination against a recipient.

(b) *Formal investigation.* If FEMA cannot resolve the complaint through informal investigation, it will begin to develop formal findings through further investigation of the complaint. If the investigation indicates a violation of this regulation, FEMA will attempt to obtain voluntary compliance, it will begin enforcement as described in § 7.945.

§ 7.944 Prohibition against intimidation or retaliation.

A recipient may not engage in acts of intimidation or retaliation against any person who:

(a) Attempts to assert a right protected by the Act or this regulation; or

(b) Cooperates in any mediation, investigation, hearing, or other part of FEMA's investigation, conciliation and enforcement process.

§ 7.945 Compliance procedure.

(a) FEMA may enforce the Act and this regulation through:

(1) Termination of a recipient's Federal financial assistance from FEMA under the program or activity involved where the recipient has violated the Act or this regulation. The determination of the recipient's violation may be made only after a recipient has had an opportunity for a hearing on the record before an administrative law judge.

(2) Any other means authorized by law including but not limited to:

(i) Referral to the Department of Justice for proceedings to enforce any rights of the United States or obligations of the recipient created by the Act or this regulation.

(ii) Use of any requirement of or referral to any Federal, State or local government agency that will have the effect of correcting a violation of the Act or this regulation.

§7.946

(b) FEMA will limit any termination under §7.945(a)(1) to the particular recipient and particular program or activity or part of such program and activity FEMA finds in violation of this regulation. FEMA will not base any part of a termination on a finding with respect to any program or activity of the recipient which does not receive Federal financial assistance from FEMA.

(c) FEMA will take no action under paragraph (a) until:

(1) The Director has advised the recipient of its failure to comply with the Act and this regulation and has determined that voluntary compliance cannot be obtained.

(2) Thirty days have elapsed after the Director has sent a written report of the circumstances and grounds of the action to the committees of the Congress having legislative jurisdiction over the Federal program or activity involved. The Director will file a report whenever any action is taken under paragraph (a).

(d) FEMA also may defer granting new Federal financial assistance from FEMA to a recipient when a hearing under §7.945(a)(1) is initiated.

(1) New Federal financial assistance from FEMA includes all assistance for which FEMA requires an application or approval, including renewal or continuation of existing activities, or authorization of new activities, during the deferral period. New Federal financial assistance from FEMA does not include increases in funding as a result of changed computation of formula awards or assistance approved prior to the beginning of a hearing under §7.945(a)(1).

(2) FEMA will not begin a deferral until the recipient has received a notice of an opportunity for a hearing under §7.945(a)(1). FEMA will not continue a deferral for more than 60 days unless a hearing has begun within that time or the time for beginning the hearing has been extended by mutual consent of the recipient for more than 30 days after the close of the hearing, unless the hearing results in a finding against the recipient.

(3) FEMA will limit any deferral to the particular recipient and particular program or activity or part of such

44 CFR Ch. I (10–1–00 Edition)

program or activity FEMA finds in violation of this regulation. FEMA will not base any part of a deferral on a finding with respect to any program or activity of the recipient which does not and would not, in connection with new funds, receive Federal financial assistance from FEMA.

§7.946 Hearings, decisions, post-termination proceedings.

Certain FEMA procedural provisions applicable to title VI of the Civil Rights Act of 1964 apply to FEMA enforcement of this regulation. They are found at 44 CFR 7.10 through 7.16.

§7.947 Remedial action by recipient.

Where FEMA finds a recipient has discriminated on the basis of age, the recipient shall take any remedial action that FEMA may require to overcome the effects of the discrimination. If another recipient exercises control over the recipient that had discriminated, FEMA may require both recipients to take remedial action.

§7.948 Alternate funds disbursement procedure.

(a) When FEMA withholds funds from recipient under this regulation, the Director may, if allowable under the statute governing the assistance, disburse the withheld funds directly to an alternate recipient: Any public or nonprofit private organization or agency, or State or political subdivision of the State.

(b) The Director will require any alternate recipient to demonstrate:

(1) The ability to comply with this regulation; and

(2) The ability to achieve the goals of the Federal statute authorizing the program or activity.

§7.949 Exhaustion of administrative remedies.

(a) A complainant may file a civil action following the exhaustion of administrative remedies under the Act. Administrative remedies are exhausted if:

(1) 180 days have elapsed since the complainant filed the complaint and FEMA had made no finding with regard to the complaint; or

(2) FEMA issues any finding in favor of the recipient.

Federal Emergency Management Agency

§ 8.2

(b) If FEMA fails to make a finding within 180 days or issues a finding in favor of the recipient, FEMA shall:

(1) Promptly advise the complainant in writing of this fact; and

(2) Advise the complainant of his or her right to bring a civil action for injunctive relief; and

(3) Inform the complainant:

(i) That the complainant may bring a civil action only in a United States District Court for the district in which the recipient is located or transacts business;

(ii) That a complainant prevailing in a civil action has the right to be awarded the costs of the action, including reasonable attorney's fees, but that the complainant must demand these costs in the complaint at the time it is filed.

(iii) That before commencing the action, the complainant shall give 30 days notice by registered mail to the Director, the Attorney General of the United States, and the recipient;

(iv) That the notice must state: The alleged violation of the Act; the relief requested; the court in which the complainant is bringing the action; and whether or not attorney's fees are demanded in the event the complainant prevails; and

(v) That the complainant may not bring an action if the same alleged violation of the Act by the same recipient is the subject of a pending action in any court (Federal or State) of the United States.
