SUPPLEMENTARY INFORMATION:

Public Participation and Request for Comments

This notice relies on the authority of the Paperwork Reduction Act of 1995; 44 U.S.C. chapter 35, as amended. An ICR is an application to OIRA seeking the approval, extension, or renewal of a Coast Guard collection of information (Collection). The ICR contains information describing the Collection's purpose, the Collection's likely burden on the affected public, an explanation of the necessity of the Collection, and other important information describing the Collection. There is one ICR for each Collection.

The Coast Guard invites comments on whether this ICR should be granted based on the Collection being necessary for the proper performance of Departmental functions. In particular, the Coast Guard would appreciate comments addressing: (1) The practical utility of the Collection; (2) the accuracy

[[Page 16232]]

of the estimated burden of the Collection; (3) ways to enhance the quality, utility, and clarity of information subject to the Collection; and (4) ways to minimize the burden of the Collection on respondents, including the use of automated collection techniques or other forms of information technology.

In response to your comments, we may revise this ICR or decide not to seek an extension of approval for the Collection. We will consider all comments and material received during the comment period.

We encourage you to respond to this request by submitting comments and related materials. Comments must contain the OMB Control Number of the ICR and the docket number of this request, [USCG-2021-0185], and must be received by May 25, 2021.

Information Collection Request

Title: U.S. Coast Guard Exchange Non-Appropriated Fund Employment Application.

OMB Control Number: 1625-0120.

Summary: The USCG Non-Appropriated Employment Application form will be used to collect applicant qualification information associated with vacancy announcements. The form will allow individuals without resumes, computers and/or those with limited digital literacy equal access to apply for employment opportunities with the Coast Guard Non-

appropriated fund (NAF) workforce and will fill the gap created by the cancellation of the Optional Application for Federal Employment, Form OF-612, OMB No. 3206-0219.

Need: The Optional Application for Federal Employment, Form OF-612, was cancelled and the information is now collected in USA Jobs. The NAF personnel system does not utilize USA Jobs because of the high cost and high turnover rate and thus relied heavily on form OF-612 for applicants.

Forms:

CG-1227B, Non-Appropriated Fund Employment Application.

Respondents: Public applying for positions in the USCG Non-appropriated fund workforce.

Frequency: Per vacancy announcement.

Hour Burden Estimate: The estimated burden has increased from 3,837 to 4,333 hours a year, due to a change (i.e., increase) in the estimated annual number of respondents.

Authority: The Paperwork Reduction Act of 1995; 44 U.S.C. chapter 35, as amended.

Dated: March 23, 2021.

Kathleen Claffie,
Chief, Office of Privacy Management, U.S. Coast Guard.
