Summary and Wrap-Up

Objectives

After completing the Summary and Wrap-Up the student will be able to:

- 1. Describe the benefits that Version 5.0 of the National Fire Incident Reporting System (NFIRS) provides.
- 2. Identify and properly describe the use of the Modules that are included in NFIRS 5.0.

Summary and Wrap-Up

This activity will help you to review the important topics covered in the NFIRS 5.0 modules. During this activity, you will check your understanding of the issues discussed in the modules. Work from memory as you complete this activity.

List the nam module can l	es of the mod be used for.	ules in NFIRS	5.0 and pr	covide a brie	f statement a	about what e
