SECTION I. INTRODUCTION

Hello, this is _____ calling for the Research Company on behalf of the Federal Emergency Management Agency (FEMA). We are doing a special poll about preparation for disasters and would like to include your opinions. This survey will take about 15 minutes and is completely voluntary.

These questions comply with the Privacy Act of 1974 and have been approved by the Office of Management and Budget under number 1660-0105. If you have any questions about the survey, you can reach a FEMA contact by calling 1-202 646-2500) and indicating you want to talk with a contact for the FEMA Survey.

(If landline , read:) In order to keep our poll random, please think about everyone living in your household age 18 or older. May I please speak with the person who will celebrate the next birthday?

(Interviewer: If necessary, probe with:) May I speak to the person who will celebrate the next birthday?)

(Interviewer: If necessary, probe with:) Is that person available?)

(Interviewer: If necessary, read:) Asking for the person with the next birthday is how we randomly choose our survey respondents, which makes our research more representative of the U.S.)

(Interviewer: If respondent has difficulty figuring out next birthday, read:) I need to speak to the person in your household who will be celebrating the next birthday. Please think about everyone who lives in your household, 18 years of age or older, and their birthdays. Is the person who will have the next birthday available?)
