CSP Data Collection Form - Replication and Expansion (R&E) for High-Quality Charter Schools Grantees

Instructions

Purpose of Data Collection:

The new data collection will collect grant award information from grantees funded under the **Replication and Expansion for High-Quality Charter Schools** competition. The *CSP Data Collection Form* will allow the U.S. Department of Education (ED) to monitor CSP grant performance and analyze data related to accountability for academic performance and financial integrity. It will also allow the CSP to track the number of schools receiving financial support under this competition. The data collection will assist in carrying out the purpose of the Charter School Program Section which is to expand the number of high quality charter schools and increase the national understanding of the charter school model.

For Grantees:

The *CSP Data Collection Form* has two parts:

Part A asks for CSP grantee award information. The name, the contact person, and the contact person's department has already been entered in the form. If this information is incorrect, please contact the data collection administrators (see "Contact Information" below). In the gray boxes, please enter the number of schools from each Budget Period that receive CSP funds within the grantee's project period. Keep in mind that your Grant Award Notification (GAN) provides the beginning and end date for your current project period.

Part B asks for CSP school award information. In all, grantees will provide the following information for each school receiving CSP funds: 1) the name and contact information for the charter school and LEA; 2) the authorized public chartering agency; 3) the total amount of funding an applicant received to replicate or expand a charter school, along with the beginning and end date of when funds were received; 4) the grades served and number of available seats per school; and 5) other charter school information (e.g., enrollment) as needed.

Form Submission:

The completed *CSP Data Collection Form* should be sent to CSPdatacollection@wested.org. In the subject heading please include "CSP Data Collection" followed by your organization's name. Please be sure to save a copy of the completed form for your own records.
