

## WEB RETRIEVAL SURVEY: EXAMPLES OF QUESTIONS

This Appendix provides screen shots of select questions from the Retrieval Survey. They show how the questions will appear when respondents access the web to complete the Retrieval Survey.

The example below displays the person roster. This information was initially collected during the Recruitment Survey. Households are asked to review the information displayed and update it if needed.

In the past 30 days, about how many times have you used public transportation such as buses, subways, streetcars, or commuter trains?

Do not include taxis.

If you were unable to use your household vehicle(s), which of the following options **would be available** to you to get you from place to place?

Mark all that apply.

- Public transportation (bus, subway, light rail, etc.)
- Get a ride from a friend
- Rental car
- Bicycle
- Walk
- Taxi (regular taxi, Uber, Lyft, etc.)
- None
