Rate Adjustments for Indian Irrigation Projects

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice.

SUMMARY: The Bureau of Indian Affairs (BIA) owns or has an interest in irrigation projects located on or associated with various Indian reservations throughout the United States. We are required to establish irrigation assessment rates to recover the costs to administer, operate, maintain, and rehabilitate these projects. We are notifying you that we have adjusted the irrigation assessment rates at several of our irrigation projects and facilities to reflect current costs of administration, operation, maintenance, and rehabilitation.

DATES: The irrigation assessment rates are current as of January 1, 2020.

FOR FURTHER INFORMATION CONTACT: For details about a particular BIA irrigation project or facility, please use the tables in the **SUPPLEMENTARY INFORMATION** section to identify contacts at the regional or local office at which the project or facility is located.

SUPPLEMENTARY INFORMATION: A Notice of Proposed Rate Adjustment was published in the **Federal Register** on February 25, 2020 (85 FR 10715) to propose adjustments to the irrigation assessment rates at several BIA irrigation projects. The public and interested parties were provided an opportunity to submit written comments during the 60-day period that ended April 27, 2020.

Did BIA defer or change any proposed rate increases?

Yes. The 2021 Operation and Maintenance (O&M) rate for San Carlos Irrigation Project—Indian Works of \$104.00 per acre will not be implemented as originally proposed. A component of the San Carlos Irrigation Project—Indian Works rate is established by the San Carlos Irrigation Project Joint Control Board (comprised of representatives from the Gila River Indian Community and the San Carlos Irrigation and Drainage District), which

is responsible for maintenance of the San Carlos Irrigation Project Joint Delivery Facilities. The Joint Control Board has changed its 2021 rate from \$22.22 per acre to \$16.00 per acre. The other two components of the San Carlos Irrigation Project—Indian Works rate (San Carlos Irrigation Project—Indian Works and San Carlos Irrigation Project—Joint Works) are established by BIA and will be implemented as proposed in the **Federal Register**. Because the Joint Control Board changed its rate component, this notice of rate adjustment reflects an equivalent change and a final 2021 O&M rate of \$97.78 per acre for San Carlos Irrigation Project—Indian Works. All other rates are to be implemented at the respective irrigation projects as proposed.

Did BIA receive any comments on the proposed irrigation assessment rate adjustments?

No. BIA did not receive any comments on the proposed irrigation assessment rate adjustments.

Does this notice affect me?

This notice affects you if you own or lease land within the assessable acreage of one of our irrigation projects or if you have a carriage agreement with one of our irrigation projects.

Where can I get information on the regulatory and legal citations in this notice?

You can contact the appropriate office(s) stated in the tables for the irrigation project that serves you, or you can use the internet site for the Government Publishing Office at www.gpo.gov.

What authorizes you to issue this notice?

Our authority to issue this notice is vested in the Secretary of the Interior (Secretary) by 5 U.S.C. 301 and the Act of August 14, 1914 (38 Stat. 583; 25 U.S.C. 385). The Secretary has in turn delegated this authority to the Assistant Secretary—Indian Affairs under Part 209, Chapter 8.1A, of the Department of the Interior's Departmental Manual.

Whom can I contact for further information?

The following tables are the regional and project/agency contacts for our irrigation facilities.
