How do I complete VA Form 21-674?

VA Form 21-674 should be completed by the person receiving or claiming benefits for a veteran's child who is at least 18 but under 23 and attending school. The veteran's child should complete the form **only if** you have reached the age of majority and is or will be entitled to receive direct payment of VA benefits. **NOTE:** The age of majority is determined by State law; it is age 18 in most states.

After completing this form, please use the related mailing address below to submit:

NOTE: Use VA Form 21-674b, *School Attendance Report*, to report to VA any change in the child's status, such as termination of school attendance or marriage.

SECTION III

All claimants must complete this part. Answer "Yes" to Item 9A **only if** Federal Employee's Compensation, VA Dependents' Educational Assistance (DEA), or another Federal Agency (i.e. U.S. Service Academy, U.S. Merchant Marine Academy, Bureau of Indian Affairs, etc.) is paying the student's tuition. Do not answer "Yes" simply because Social Security benefits have been awarded based on the student's continuing school attendance.

SECTION IV

Complete this part **only if** the benefit being claimed or received is disability Pension or Survivors' Pension. Each income block must be completed. If you do not receive income from a particular source, write "0.00" in the boxes provided. Do not leave the space blank. VA will interpret a blank space as "0" or "None". Report the gross amounts before you take out deductions for taxes, insurance, etc.

Section 306 or Old Law Pension (entitlement to pension established before January 1, 1979): Complete this part **only if** the VA benefit payable will be death pension, *and* there is no surviving spouse entitled to death pension. Do not complete if the student is a dependent on a veteran's or surviving spouse's award.

Improved Pension: Complete this part showing the student's income. Educational or vocational rehabilitation expenses are amounts paid by the student for their course of post-secondary education or vocational rehabilitation, including tuition, fees, and materials. If any of these expenses are paid by the student, the expenses may be deducted from the earned income of the student. Report the total amount (s) paid and dates of payment in Section V: Remarks.

SECTION VI

This part will be completed by the student **only if** they have reached the age of majority and are claiming benefits on their own behalf. Otherwise, the veteran, surviving spouse, guardian or custodian will sign, date and enter their relationship to the student and telephone number in Items 16C and 16D.
