## ClinVar User Survey

Clin\ar aggregates information about genomic variation and its relationship to human health.

OMB Control Number: 0925-0648 Expiration Date: 03/31/2018 Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a current valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to NIH, Project clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648). Do not return the completed form to this address. 1. How often do you use ClinVar? Every day Several times a week Several times a month About once a month Less than once a month This is my first visit 2. What were you looking for on your current visit to ClinVar? A specific variant All variants in a gene Variants associated with a disease or phenotype Variants submitted by a specific group Other (please specify) 3. How easy was it to find what you were looking for on ClinVar? Extremely easy Very easy Somewhat easy Not so easy Not at all easy

Very easy Somewhat easy Not so easy Not at all easy  Coverall, how satisfied are you with ClinVar? Extremely satisfied Very satisfied Moderately satisfied Slightly satisfied Not at all satisfied Not at all satisfied  Which category describes you best? Lab director Genetic counselor Medical geneticist or medical genetics fellow Pathologist Other type of physician or medical fellow Researcher Student Clinical scientist Bioinformatician Professor or educator Patient or patient family member/advocate Other (please specify)		emely easy
