NIH Library Electronic Lab Notebook Survey

OMB#: 0925-0648, Exp. Date: 05/31/2021

Burden Disclosure

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648). Do not return the completed form to this address.

Introduction

The purpose of this survey is to determine interest in the use of Electronic Lab Notebooks (ELNs) at the NIH. We are also interested in surveying non-users and current users of ELNs. Your survey responses will help the NIH Library to determine our role and support for ELNs at the NIH.

Instructions

Please note the following below:

- Survey responses reside behind the NIH firewall and are secure to the extent permitted by law.
- For each question, select the option that best represents your view.
- The survey will take approximately 5 minutes to complete.
- Try to answer each question as honestly and accurately as possible.
- At any point, you may exit the survey and return to complete the survey at a later time. Your answers will be saved.

If you have any questions or concerns, please contact Doug Joubert, Data Services Leader at douglas.joubert@nih.gov.

1. What is your NIH Institute or Center?

2. What type of research is conducted in your lab?

*** 3. Do you or does anyone in your lab currently use an Electronic Lab Notebook (ELN)?**

Yes

No

I do not know

Next

If answered Yes to Question 3

4. Which brand of ELN are you using?

- Benchling
- Bio-ITech
- BIOVIA
- Chemotion
- Confluence
- Doccollab
- ecLabNote
- eLabFTW
- ELOG Evemote
- Exemplar
- Findings
- Hivebench
- iDBS
- Jupyter
- LabArchives
- LabCollector
- LabGuru
- LabVantage
- LabWare
- LabFolder
- MBook
- OneNote
- OpenVetWare
- OSP
- PerkinElmer Signals
- RSpace
- Riffyn
- sciNote
- I do not know
- Other (please specify)

5. Does your ELN link to a laboratory information management system (LIMS)?

- Yes
- No
- I do not know

6. What was the primary reason your lab purchased an ELN?

7. What were the greatest challenges you and your lab experienced in migrating to the ELN?

8. What are the major obstacles and challenges you experience in using the ELN? Check all that apply.

- Ease of use
- Software and system compatibility and integration
- Data compatibility and portability
- HHS, NIH, or Institute/Center IT security requirements
- Need for ELN software updates
- Time needed to learn how to use it
- Does not do everything that I need it to do
- Lack of technical support in-house
- Cannot easily import images, photos, scans, etc.
- Searching within the ELN is not easy nor efficient
- Collaboration and use by multiple lab members is difficult
- Other (please specify)

9. Do you use or have any specialized functionality in your ELN (e.g. chemical structure drawing, lab inventory control, protocols and templates, etc.) that is important to your lab's work?

- Yes
- No
- I do not know

If answered No or I do not know to Question 3,

Exit

NIH Library Electronic Lab Notebook Survey

OMB#: 0925-0648, Exp. Date: 05/31/2021

4. Why are you or your lab currently not using an electronic lab notebook (ELN)?

5. What are you or your lab currently using to manage your research or experimental data?

- Google Docs
- Google Keep
- Google Sheets
- Google Tasks
- GraphPad
- Microsoft Excel
- Paper notebook
- PyPlots
- R
- Spartan
- XvGrace
- Other (please specify)

6. What are the major challenges or problems you or your lab have with your current method of managing research or experimental data?

7. If you or your lab are currently using a paper lab notebook, what are your reasons for not switching to an electronic format?

I/We do not use a paper lab notebook

We have not switched because...

8. Are you or your lab interested in learning more about ELNs?

Yes

No

9. Where would you go to find information about ELNs and how to select one for use in your lab? Select your primary choice.

- Ask a colleague
- Conduct a Google search
- Email lab managers email listserv
- Go to an ELN vendor website
- Review NIH Library resource or webpage
- Talk to someone at the NIH Library
- Other (please specify)
