NIH Pathways to Prevention Workshop Survey

OMB Control Number: 0925-0648 Expiration Date: 5/31/2021

Public reporting burden for this collection is estimated at 5-10 minutes per response. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any aspect of this collection of information, including suggestions for reducing this burden to: NIH Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648). Do not return the completed form to this address.

Your feedback is very important to us and will ensure that our P2P workshop program is relevant, timely and well-executed. Please take a few minutes to complete this short survey.

Pathways to Prevention Workshop
Date: October 30-31, 2018
Title: Appropriate Use of Drug Therapies for Osteoporotic Fracture Prevention
