

OMB Control #0925-0648, Expiration Date: 05/31/2021

Public reporting burden for this collection of information is estimated to average 2 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a current valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to NIH, Project Clearance Branch 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, Attn: PRA (0925-0648). Do not return the completed form to this address.

User Survey for Dietary Supplement Label Database (DSLDD)

OMB Disclaimer: There are no penalties from refusing to volunteer. You may withdraw from this survey at any time. The information collected will be kept private to the extent provided by law. Study reports are summaries of all survey participants and will remain anonymous.

Thank you from the DSLDD team for taking the time to provide your feedback.

1. How frequently do you visit this site?

- First time
- Daily
- Once a week
- Once a month
- Every six months or less

2. Which role most closely describes how you are using the site today? (Please choose the one best answer)

- Researcher
- Healthcare professional
- Patient, family or friend of patient
- Consumer
- Educator/trainer
- Student
- Federal official
- Industry
- Website/app developer/publisher
- Librarian
- Database manager
- Other (please specify)

3. What type of information were you looking for at the site today? (Please choose all that apply)

- Identify different products
- Make comparisons between products
- Ingredients in supplements
- Information on a specific supplement
- Supplements for specific uses/claims
- Effectiveness of supplement
- Manufacturer/distributor
- How to download the database
- Other (please specify)

4. Did you find the information you were seeking today?

- Yes
- Partially (please tell us more)
- No (please tell us more)

5. How easy was it to find what you were looking for on this site?

- Very easy
- Somewhat easy
- Neither easy nor difficult
- Somewhat difficult
- Very difficult

6. Overall, how well does this site meet your needs?

- Very well
- Somewhat well
- Neither well nor poorly
- Somewhat poorly
- Very poorly

7. How can we improve this site? (Please choose all that apply)

- Include more product labels
- Improve instructions/help features
- Improve search functions
- Add and improve visualization of data
