

ATTACHMENT 2: INFORMED CONSENT FORM

Form Approved
OMB No. 0925-0648
Exp. Date 05/2021

Paperwork Reduction Act Burden Disclosure Statement: Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An Agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a current valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648). Do not return the completed form to this address.

A 60-minute virtual (online/by phone) focus group with
Persons Diagnosed With
Temporomandibular Disorders (TMD)*
to Discuss Feedback on a Brochure

Day Month, 2020

INFORMED CONSENT FORM

Please read the list of statements below about this virtual (online/by phone) focus group sponsored by the National Institute of Dental and Craniofacial Research, part of the National Institutes of Health. If you agree with the statements, please print and sign your name at the bottom of this form. This information will be kept in a secure place. This information will never be connected to any opinion or comment that you make during the focus group discussion.

I understand that:

- ✓ I will participate in an approximately 60-minute focus group discussion with up to 3 other participants and a moderator.
- ✓ My participation is completely voluntary.
- ✓ I may decide to stop my participation at any time.
- ✓ I do not have to answer any question I don't feel comfortable with.
- ✓ I may be excused if I am more than 10 minutes late to the focus group discussion.
- ✓ A trained focus group discussion moderator will facilitate the discussion.
- ✓ The focus group discussion will be about a Temporomandibular Disorders brochure.
- ✓ I will be mailed the Temporomandibular Disorders brochure ahead of time and expected to read it before the focus group.

*Temporomandibular Disorders (TMD)" are also commonly called "Temporomandibular Joint (TMJ) Disorders."

- ✓ The project team will keep confidential my name and opinions.
- ✓ All participants will use their first names only (no last names) during the entire focus group discussion.
- ✓ The facilitator will audio record the focus group discussion. (There will be no video recording of the focus group discussion.)
- ✓ Project staff may listen to the focus group discussion, and a notetaker will be on the line to take notes.
- ✓ The project team will only use the findings from the focus group discussion to inform the development of a final Temporomandibular Disorders brochure.
- ✓ No one will try to sell me anything.
- ✓ My information will not be shared with/sold to anyone.
- ✓ I will receive a token of appreciation for participating.
- ✓ I will plan to dial in approximately 10 minutes prior to the start of the focus group discussion call.
- ✓ I had the opportunity to ask questions about this project and I have received satisfactory answers.

I agree to participate in this focus group discussion.
